Item 7.01. Regulation FD Disclosure

Robert P. Peebler, President and Chief Executive Officer of Input/Output, Inc. (the Company), and R. Brian Hanson, Executive Vice President and Chief Financial Officer of the Company, will present at the Bear Stearns Global Oil & Gas Conference in New York City, New York, on Wednesday, March 14, commencing at approximately 12:10 p.m. Eastern Time. The Conference is being held at the Bear Stearns Headquarters, located at 383 Madison Avenue, between 46th and 47th Streets in New York City.

The Company's presentation can be heard via a live webcast hosted by Bear Stearns. To listen to the webcast of the Company's presentation, please access the Investor Relations section of the Company's website at www.i-o.com or use the following URL: http://cc.talkpoint.com/bear002/031407a_cy/?entity=io. The slides from the presentation will be available through the Investor Relations section of the Company's website and will remain available on the Company's website through approximately April 15, 2007.

The information contained in Item 7.01 of this report (i) is not to be considered filed under the Securities Exchange Act of 1934, as amended (the Exchange Act) and (ii) shall not be incorporated by reference into any previous or future filings made by or to be made by the Company with the Securities and Exchange Commission (SEC) under the Securities Act of 1933, as amended, or the Exchange Act.

The presentations referenced in this report and any oral or written statements made in connection with the presentations may contain certain forward-looking statements within the meaning of Section 27A of the Securities Act of 1933 and Section 21E of the Securities Exchange Act of 1934. These forward-looking statements may include statements concerning estimated revenues, expected timing of future revenues and growth rates, estimated gross margins and operating expenses for fiscal 2007, future sales and market growth, timing of product introduction and commercialization, and other statements that are not statements of historical fact. Actual results may vary materially from those described in the forward-looking statements. All forward-looking statements will reflect numerous assumptions and involve a number of risks and uncertainties. These risks and uncertainties may include: unanticipated delays in the timing and development of the Company's products and services and market acceptance of the Company's new and revised product offerings; risks associated with competitors' product offerings and pricing pressures resulting therefrom; the relatively small number of customers that the Company currently relies upon; the fact that a significant portion of the Company's revenues is derived from foreign sales; the risks that sources of capital may not prove adequate; the Company's inability to produce products to preserve and increase market share; and technological and marketplace changes affecting the Company's product line. Additional risk factors, which could affect actual results, are disclosed by the Company from time to time in its filings with the Securities and Exchange Commission, including its Quarterly Report on Form 10-Q for the quarterly period ended September 30, 2006, and its Annual Report on Form 10-K for the year ended December 31, 2006.
