Introductory Statement

The previous disclosures set forth in Schedule 13D filed by Acceris Communications Inc. (f/k/a I-Link Incorporated), a Florida corporation (the Reporting Person), on May 20, 2003 (the Original Filing) are amended by this Amendment No. 1 to the Original Filing (the Amended Filing). All capitalized items are given meanings assigned to such items in the Original Filing and documents filed therewith.

ITEM 1. Security and Issuer.

No change from the Original Filing.

ITEM 2. Identity and Background.

No change from the Original Filing.

ITEM 3. Source and Amount of Funds or Other Consideration.

No change from the Original Filing.

ITEM 4. Purpose of Transaction.

The Amended Filing is being filed to restate and update the Reporting Person s beneficial ownership of securities of the Issuer. Item 5 hereof contains such restated and updated description. Except as set forth in this Item 4 of the Amended Filing, there have been no changes from the Original Filing.

ITEM 5. Interest in Securities of the Issuer.

(a) and (b) The Reporting Person is the beneficial owner of 808,546 shares of Common Stock, or 6.22% of a total number of the Common Stock shares issued and outstanding as of March 15, 2004, for the purposes of the definition of beneficial ownership set forth in Rule 13d-3 promulgated under the Exchange Act, with respect to which shares the Reporting Person exercises sole voting and disposition powers. The Reporting Person has no shared voting or shared dispositive power over any securities of the Issuer except the shares of Common Stock described herein.

(c) As of March 9, 2004, the Reporting Person's beneficially owned securities of the Issuer included: (i) 205,000 shares of the Series B Stock issued to the Reporting Person which number represents the number of shares of the Series B Stock issuable pursuant to Section 1.3 of the Asset Purchase Agreement, and included all 75,000 earnout shares calculated as set forth in Section 1.5 of the Asset Purchase Agreement. (the earnout shares were paid to the Reporting Person over the period of 14 months commencing January 1, 2003 at the rate of approximately 5,357 shares per month since no BP Event occurred during the 14-month period commencing January 1, 2003 as assessed on a monthly basis (the term "BP Event" refers to occurrence of certain events caused by or involving Big Planet, Inc., the Reporting Person's wholesale customer, as such events are defined under the Asset Purchase Agreement); thus, the Reporting Person has earned the remaining 53,572 earnout shares, or 5,357 shares per month, for 10 months following May 1, 2003), (ii) 45,000 shares of the Series B Stock issued to the Reporting Person pursuant to Section 2 of a certain Software License Agreement, dated December 6, 2002 by and between the Issuer and the Reporting Person (the Software License Agreement) in consideration of the Reporting Person's granting a non-exclusive perpetual license to the Issuer to make use of certain of the Reporting Person's non-patent intellectual property, (iii) 50,000 shares of the Series B Stock issued to the Reporting Person pursuant to Section 2 of the Software License Agreement in consideration of the Reporting Person's granting a non-exclusive perpetual license to the Issuer to make use of certain of the Reporting Person's patents and patent rights for the purpose of providing enhanced telecommunications services to the Issuer's customers, and (iv) 58,546 shares of Common Stock representing the total number of Common Stock shares paid to the Reporting Person as dividends on Series B Stock as of December 31, 2003. Thus, the total number of shares of the Issuer beneficially owned by the Reporting Person as of March 9, 2004 included 300,000 shares of Series B Stock and 58,546 shares of Common Stock.

The conversion rate for the Series B Stock is five (5) shares of the Common Stock for each share of the Series B Stock. Thus, prior to the conversion and sale of a certain number of shares of Common Stock in a private placement of the Issuer's securities described below, the Reporting Person beneficially held 1,558,546 shares of the Common Stock for the purposes of the definition of "beneficial ownership" set forth in Rule 13d-3 promulgated under the Exchange Act.

On March 15, 2004, the Issuer completed a private placement of its securities to certain institutional and accredited investors, in which placement the Issuer sold 3,782,000 shares of Common Stock, at \$2.30 per share, for a total of \$8,698,000. In connection with this private placement, the Reporting Person converted all of its Series B Stock into 1,500,000 shares of Common Stock and sold 750,000 of such common shares to the investors in the private placement, also at \$2.30 per share. The Issuer had 100,000,000 Common Stock shares authorized, of which 12,994,079 shares were issued and outstanding as of March 15, 2004. Subsequent to and as a result of the foregoing private placement, the Reporting Person now beneficially holds 808,546 Common Stock shares, or approximately 6.22% of the shares of Common Stock outstanding following completion of the private placement.

(d) Except as set forth above, there are no other persons with the right to receive or the power to direct the receipt of the dividends from, or the proceeds from the sale of, securities described herein.

(e) Not applicable.

ITEM 6. Contracts, Arrangements, Understandings or Relationships With Respect to Securities of the Issuer.

No change from the Original Filing.

ITEM 7. Material To Be Filed As Exhibits.

No change from the Original Filing.
