PROXY STATEMENT FOR ANNUAL MEETING OF SHAREHOLDERS TO BE HELD ON JUNE 7, 2005

SOLICITATION OF PROXIES

This Proxy Statement is furnished in connection with the solicitation of proxies by and on behalf of the Board of Directors of Citizens, Inc., for use at the Annual Meeting of Shareholders to be held Tuesday, June 7, 2005, at 10:00 a.m., Central Daylight Time, (the Meeting) at our Executive Offices located at 400 East Anderson Lane, Austin, Texas. This Proxy Statement and the enclosed proxy card were sent to our shareholders on or about April 29, 2005.

The following matters will be acted on at our Meeting:

Elect the members of our Board of Directors;

Transact such other business as may properly come before the Meeting or any adjournment thereof.

You are requested to complete the enclosed proxy card, sign where indicated, and return it to the Transfer Agent in the envelope provided, which requires no postage if mailed in the United States. Solicitation of proxies will be primarily through the mail. Proxies may also be solicited by personal solicitation, telephone or telegram, by our directors, officers and employees at no additional cost to us. We will also request banking institutions, brokerage firms, custodians, trustees, nominees and fiduciaries to forward soliciting material to the beneficial owners of our common stock held of record by such persons, firms, or institutions, and we will reimburse the forwarding expense. The cost of this solicitation will be borne by us.

PROXIES

Shares represented by properly executed proxies received by us prior to the Meeting will be voted as specified thereon. If a proxy fails to specify how it is to be voted on any proposal it will be voted **FOR** the director nominees listed in this proxy statement. A person giving a proxy shall have the power to revoke it at any time before it is voted by notifying our Secretary in writing or by personally withdrawing such proxy at the Meeting. With regard to election of directors, votes may be cast in favor or withheld; votes that are withheld will be excluded entirely from the vote and will have no effect. Brokers who have not received instructions from their customers in uncontested elections may vote in the election of directors shares held in street name.

RECORD DATE

Only shareholders of record at the close of business on April 19, 2005 are entitled to vote at the Meeting. As of the record date, we had outstanding and entitled to vote 37,457,307 Class A shares of common stock and 936,181 Class B shares of common stock. Also outstanding as of the record date, were 12,500 shares of Series A Preferred Stock, entitled to vote based on the number of shares of Class A common stock into which such shares of Series A Preferred Stock are convertible as of the record date.

QUORUM AND VOTING

The presence, in person or by proxy, of the holders of a majority of the outstanding shares of each class of our common stock entitled to vote at the Meeting, including, for the purposes of the Class A common stock vote, the presence, in person or by proxy, of holders of Series A Preferred Stock voting on the basis of the number of shares of Class A common stock into which such shares of Series A Preferred Stock are convertible as of the record date, is necessary to constitute a quorum for that particular class of common stock at the Meeting. Abstentions and broker non-votes are counted for purposes of determining the presence or absence of a quorum for the transaction of business. If a quorum is not present or represented at the Meeting, the Shareholders entitled to vote thereat, present in person or represented by proxy, have the power to adjourn or recess the Meeting from time to time for up to thirty (30) days without notice, other than announcement at the Meeting, until a quorum is present or represented. At such reconvened Meeting at which a quorum is present or represented, any business may be transacted which might have been transacted at the Meeting as originally noticed.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

We have two classes of common stock. Both classes of common stock are equal in all respects, except that (i) Class B common shareholders elect a simple majority of the Board of Directors of the Company and Class A common shareholders elect the remaining directors; and (ii) Class A shareholders are entitled to receive, on a per-share basis, twice the cash dividends paid on a per-share basis to Class B shareholders. Each outstanding share of common stock has one vote in all matters to be considered at the Meeting. In the election of directors, the nominees receiving the highest number of votes cast in their favor will be elected to our board, subject to the right of the Class B shareholders to elect a simple majority of the directors.

As of the record date, there were 12,500 shares of Series A Preferred Stock outstanding, entitled to vote based on the number of shares of Class A common stock into which such shares of Series A Preferred Stock are convertible as of the record date.

Management knows of no matters to be submitted at the Meeting with respect to which the shareholders are entitled to vote, other than the proposals described in this proxy statement. In the event other matters properly come before the Meeting, the persons named in the proxy will vote according to their best judgment.

The following table shows, as of April 19, 2005, certain information with regard to the beneficial ownership of our common stock:

by each of our executive officers and directors,

MEETINGS AND COMMITTEES OF THE BOARD OF DIRECTORS

Our business affairs are conducted under the direction of our Board of Directors. The Board of Directors held five (5) meetings during 2004, at which all directors were present. We do not have an attendance policy, although our directors are expected to attend Board Meetings. The non-management directors hold regularly scheduled executive sessions in which those directors meet without management participation. The director chosen to preside at these sessions is determined on an informal basis at the time of the meeting.

To assist it in carrying out its duties, the Board has delegated certain authority to four separately-designated standing committees whose functions are described below:

Audit Committee

Members at December 31, 2004: Directors Scott, Gage and Timmerman

Number of Meetings in 2004: 6

Functions:

Assists the Board in fulfilling its oversight responsibilities as they relate to the Company's accounting policies, internal controls, financial reporting practices and legal and regulatory compliance;

Hires the independent auditors;

Monitors the independence and performance of the Company's independent auditors and internal auditors;

Maintains, through regularly scheduled meetings, a line of communication between the Board and the Company's financial management, internal auditors and independent auditors; and

Oversees compliance with the Company's policies for conducting business, including ethical business standards.

Oversees the Company's assessment of internal controls as required by the Sarbanes-Oxley Act.

The Board of Directors adopted a restated Audit Committee Charter in November 2002 and subsequently amended and restated the charter on April 22, 2004. The charter is posted on our website at www.citizensinc.com.

Our Board of Directors has determined that Dr. Richard C. Scott is qualified as an audit committee financial expert as that term is defined in the rules of the Securities and Exchange Commission. Dr. Scott served as Dean of Hankamer School of Business of Baylor University from 1972 to 1977; from 1971 to 1972 he was the Associate Dean, Director of Graduate Studies, Professor of Management, Hankamer School of Business, Baylor University. He also has been Associate Professor of Management, Director of Special Programs, Hankamer School of Business, Baylor University, since 1964.

Our Class A common stock is listed for trading on the New York Stock Exchange. Pursuant to NYSE rules, the Audit Committee is to be comprised of three or more directors as determined by the Board of Directors, each of whom shall be independent. Our Board of Directors has determined that all of the members of the Audit Committee are independent, as defined in the listing standards of the NYSE and the rules of the SEC.

The Compensation Committee's policy is to offer the executive officers competitive compensation packages that will permit us to attract and retain individuals with superior

abilities and to motivate and reward such individuals in an appropriate fashion in the long-term interests of the company and its shareholders. Currently, executive compensation is comprised primarily of salary and a qualified profit-sharing plan.

Executive Committee

Members at December 31, 2004: Directors Harold E. Riley, Gage and Timmerman

Number of Meetings in 2004: 17

Functions:

Authority to manage the business affairs of the company;

Nominating/Corporate Governance Functions

Our Board of Directors does not maintain a nominating/corporate governance committee with respect to (i) identifying, evaluating or recommending candidates for our Board of Directors, and (ii) shaping the corporate governance of the company. Instead, these functions are performed by the full Board of Directors. Our Board does not maintain a nominating committee for the following reasons:

We are considered to be a controlled company since the majority of the members on our Board of Directors are elected by our Chairman, Harold E. Riley, through his beneficial ownership of all of our outstanding Class B common shares. Under NYSE rules, controlled companies are not required to maintain a nominating committee;

We are a mid-size company and we do not maintain a large number of directors as do many larger public companies; thus, we do not require a special committee whose sole purpose is to identify and evaluate a large director candidate pool or prepare corporate governance rules.

A majority of the directors on our Board of Directors are considered to be independent; thus, we believe that the nominating duties and corporate governance rules with respect to the Class A directors can be accomplished in a disinterested manner by our entire Board of Directors.

Our Board of Directors will consider a candidate for a Class A director position proposed by a shareholder. A candidate must be highly qualified in terms of business experience and be both willing and expressly interested in serving on the Board. A shareholder wishing to propose a candidate for the Board's consideration should forward the candidate's name and information about the candidate's qualifications to Citizens, Inc., Board of Directors, 400 East Anderson Lane, Austin, Texas 78752, Attn.: Mark A. Oliver. Submissions must include sufficient biographical information concerning the recommended individual, including age, employment history for at least the past five years indicating employer's names and description of the employer's business, educational background and any other biographical information that would assist the Board in determining the qualifications of the individual. The Board will consider recommendations received by a date not later than 120 calendar days before the date our proxy statement was released to shareholders in connection with the prior year's annual meeting for nomination at that annual meeting. The Board

will consider nominations received beyond that date at the annual meeting subsequent to the next annual meeting.

The Board evaluates nominees for directors recommended by shareholders in the same manner in which it evaluates other nominees for directors. Minimum qualifications include the factors discussed above.

Code of Ethics

Our Board of Directors has adopted a Code of Business Conduct and Ethics (Code), which we have posted on our website located at www.citizensinc.com. You may also obtain a copy of our Code by requesting a copy in writing at 400 East Anderson Lane, Austin, Texas 78752 or by calling us at 512-837-7100.

Our Code provides general statements of our expectations regarding ethical standards that we expect our directors, officers and employees to adhere to while acting on our behalf. Among other things, the Code provides that:

We will comply with all laws, rules and regulations;

Our directors, officers and employees are to avoid conflicts of interest and are prohibited from competing with us or personally exploiting our corporate opportunities;

Our directors, officers and employees are to protect our assets and maintain our confidentiality;

We are committed to promoting values of integrity and fair dealing; and

We are committed to accurately maintaining our accounting records under generally accepted accounting principles and timely filing our periodic reports.

Our Code also contains procedures for our employees to report, anonymously or otherwise, violations of the Code.

COMPENSATION COMMITTEE

Report on Executive Compensation

The Compensation Committee, which is composed of three outside directors, makes recommendations to the Board concerning the compensation of the Company's executive officers. In order to make such recommendations, toward the end of each year, the Committee evaluates the Company's performance relative to its business plan and similar companies. Additionally, each executive officer's contribution to the Company's achievements during the year is evaluated.

The goal of the Compensation Committee is to ensure that the Company employs qualified, experienced executive officers whose financial interest is aligned with that of the shareholders. The Committee considers general industry practice, tax effects and other factors in structuring executive compensation awards.

Salaries for each of the Company's executive officers are determined by taking into consideration performance, length of tenure with the Company, compensation by industry competitors for comparable positions and career achievements. Salaries paid within the industry are weighted more heavily in setting base salary levels. No bonus or stock option plans exist; however, there is a profit sharing plan, where distribution is based on tenure. The Committee also believes that the cash compensation paid to the Company's Chairman and its Chief Executive Officer is designed to closely align their interests with those of the shareholders and that their compensation is related directly to their performance as individuals with considerable experience and ability in the insurance industry.

Harold E. Riley was elected Chairman of the Board and Chief Executive Officer in 1987, although as the founder of the Company, his tenure began in 1968. In October 2000, he relinquished the position of Chief Executive Officer to Rick D. Riley, while remaining as Chairman. Harold Riley and Rick Riley have historically been employed by the Company on an at-will basis.

The Committee has conducted a review of the performance of both the Chairman and Chief Executive Officer for the year 2004. This review has included an evaluation of the progress made by the Company towards the attainment of its goals and the role each individual played in the achievement of such progress.

The review included a comparison of salaries of senior executives of other public life insurance companies of various sizes who are typically identified as comparable to the Company, and the manner in which such executives are compensated. Additional consideration was given for the substantial growth in the Company's scope of operations and asset base during the year 2004. During the year, a number of milestones were attained. The Company secured a \$30 million line of credit for use in future acquisitions (and later drew down the line in conjunction with the acquisition of Security Plan Life Insurance Company). A private placement of convertible preferred stock was completed which generated \$12.5 million of additional capital and which, at the Company's option, can be increased to \$25 million. This issue was structured so that payments, including dividends and redemptions, can be made in Class A common shares, and all warrants granted are exercisable using only cash. It is the Company's belief that this structure is beneficial to the Company. Security Plan Life was acquired during 2004, which marks a significant step in the Company's drive to attain

its stated goals. At \$85 million cash, this acquisition is the largest and most significant in the Company's history. The Company believes this acquisition provides an additional foundation for U.S. marketing activities and should enhance the long-term profitability for the Company.

For the past several years, the accident and health business of the Company has not provided the Company with an economic return. Regulation prevented the Company from taking aggressive action to re-price existing business. Effective January 1, 2004, an agreement was reached to cede most of the accident and health business of the Company to a third party. This transaction permitted the Company to effectively withdraw from the accident and health market and reduce overhead. Additionally, consideration was given to the fact that significant expense reductions were obtained during 2004. Also during the year, a record amount of new insurance revenues were received from the Company's international markets because of programs created by the Chairman.

Giving consideration to these factors, it is the opinion of this committee that the salaries for Harold Riley and Rick Riley for the year 2005 be established at \$650,000 and \$275,000, respectively.

CERTAIN REPORTS

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16 of the Securities Exchange Act of 1934 requires that our directors, executive officers and persons who own more than ten percent of a registered class of our equity securities file reports of ownership and changes in ownership with the Securities and Exchange Commission. Based solely upon a review of such reports and amendments thereto furnished to us, we believe that during 2004, all reports were filed on a timely basis.

(1) Company contribution to qualified profit-sharing plan. The 2004 amounts represent the results of the 2003 plan year credited in 2004. The 2004 results will not be available until late 2005.

(2) Includes the use of a Company automobile, the incremental cost of which is less than the lower of 10% of the total annual cash compensation or \$50,000.

(3) Mr. Dunham served as an officer of the Company until February 1999, and continues to serve as an officer of the Company's subsidiaries.

Our employees are covered under a non-contributory profit-sharing plan. Under the terms of the Plan, all employees who have completed one year of service are eligible to participate. Vesting begins following completion of three years service and employees become fully vested after seven years' service. We made a \$300,000 contribution in each of 2002, 2003 and 2004. Messrs. H. E. Riley, R. D. Riley, and M. A. Oliver had, \$305,913, \$350,972, and

\$165,825, respectively, vested under the Plan as of December 31, 2003, the last year for which allocations are complete. Messrs. R. A. Riley and C. D. Dunham had \$27,137 and \$32,325 vested in the Plan as of December 31, 2003, respectively.

During 2004, the members of Board of Directors who are not employees were paid \$10,200 per year, and Committee members who are not employees were paid \$500 per physical Committee meeting attended. Total directors fees paid by the company during 2004 were \$58,750.

In recognition of the increased demand on outside Directors because of new Corporate Governance rules and Company growth, the Board of Directors approved an increase in their fees to \$1,000 per month and \$600 per meeting, effective January 1, 2005.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

We are not aware of any transaction, or series of transactions, since January 1, 2004, or any currently proposed transactions, or series of transactions, to which we or any of our subsidiaries was to be a party, in which the amount involved exceeds \$60,000 and in which any director, nominee for director, executive officer, more than 5% shareholder or any member of the immediate family of the foregoing persons had, or will have, a direct or indirect material interest.

PRINCIPAL ACCOUNTANT FEES AND SERVICES

During 2004 and 2003, we paid the following fees to our principal accountants:

	2004	2003
Audit Fees	\$ 964,800	\$ 344,387
Audit Related Fees	-0-	-0-
Tax Fees	-0-	85,125
All Other Fees	-0-	-0-
	\$ 964,800	\$ 429,512

To help assure independence of the independent auditors, the Audit committee has established a policy whereby all audit, review, attest and non-audit engagements of the principal auditor or other firms must be approved in advance by the Audit Committee; provided, however, that de minimis non-audit services may instead be approved in accordance with applicable Securities and Exchange Commission rules. This policy is set forth in our Amended Audit Committee charter. Of the fees shown in the table which were paid to our principal accountants in 2004, 100% were approved by the Audit Committee. SEC regulations and Company policy did not require pre-approval for non-audit services prior to 2003.

AUDIT COMMITTEE REPORT

Our Audit Committee reports to and acts on behalf of the Board of Directors by providing oversight of our financial management, independent auditors and financial reporting procedures. The Audit Committee Charter was adopted in 2000. The Audit Committee Charter was updated and restated in April 2004 in order to meet the requirements of the Sarbanes-Oxley Act of 2002.

Management is responsible for preparing our financial statements and the independent auditors are responsible for auditing those financial statements. The Audit Committee is responsible for overseeing the conduct of these activities by the Company's management and the independent auditors. The Audit Committee is also responsible for establishing procedures to address complaints regarding accounting, internal control or auditing issues, as well as the anonymous submission by employees of concerns regarding accounting or auditing matters. In this context, the Audit Committee has met and held discussions with management and the independent auditors. Management represented to the Audit Committee that our consolidated financial statements were prepared in accordance with accounting principles generally accepted in the United States of America (GAAP), and the Audit Committee has reviewed and discussed the consolidated financial statements with management and the independent auditors.

Dr. Richard C. Scott, the financial expert of the Audit Committee, as well as the other members of the Audit Committee, are independent directors as defined in the rules of the New York Stock Exchange. The members of the Audit Committee are not professionally engaged in the practice of auditing or accounting and are not experts in the fields of accounting or auditing, including auditor independence. The members of the Audit Committee rely without independent verification on the information provided to them and on the representations made by our management and the independent accountants. Accordingly, the Audit Committee's oversight does not provide an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or appropriate internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's considerations and discussions referred to above do not assure that the audit of our financial statements has been carried out in accordance with auditing standards generally accepted in the United States of America, that the financial statements are presented in accordance with GAAP, or that our auditors are in fact independent.

The Committee has discussed with KPMG LLP, the independent auditor's matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees). In addition, the independent auditors provided to the Audit Committee the written disclosures required by Independent Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and the Committee and the independent auditors have discussed the auditors' independence from us and our management, including the matters in those written disclosures. Additionally, the Committee considered the financial information systems services and other non-audit services provided by the independent auditors and the fees and costs billed and expected to be billed by the independent auditors for those services. The Committee has discussed with management the procedures for selection of consultants and the related competitive bidding practices and fully considered whether those services provided by the independent auditors are compatible with maintaining auditor independence.

The Committee has discussed with our independent auditors their evaluations of our internal accounting controls and the overall quality of our financial reporting.

In reliance on the reviews and discussions with management and the independent auditors referred to above, the Audit Committee recommended to the Board of Directors and the Board has approved, the inclusion of the audited financial statements in our Annual Report on Form 10-K for the fiscal year ended December 31, 2004, for filing with the Securities and Exchange Commission. A member of KPMG LLP is expected to attend the Meeting and will have the opportunity to make a statement, if desired. Such member will also be available to respond to appropriate questions of shareholders.

INDEPENDENT REGISTERED PUBLIC ACCOUNTANTS

KPMG LLP, 717 North Harwood Street, Suite 3100, Dallas, Texas 75201, is our principal independent registered public accountant. A representative of KPMG LLP will be present at the Annual Meeting of Shareholders to answer questions and make any desired statement.

ANNUAL REPORT AND OTHER MATERIAL

A copy of our Annual Report to Shareholders has been mailed under separate cover. A copy of the report of the Compensation Committee and the Audit Committee of the Board of Directors and a Performance Graph regarding stockholder return accompany this Proxy Statement. **No part of such material is incorporated herein and no part thereof is to be considered proxy-soliciting material.**

SHAREHOLDER PROPOSALS

Under the rules of the SEC, if a shareholder wants us to include a proposal in our Proxy Statement and form of proxy for presentation at our 2006 Annual Meeting of Shareholders, the proposal must be received by us at our principal executive offices at 400 East Anderson Lane, Austin, Texas 78752 by January 3, 2006. The proposal should be sent to the attention of our Secretary.

The SEC also sets forth procedures under which shareholders may make proposals outside of the process described above or to introduce an item of business at an Annual Meeting of Shareholders. These procedures require that shareholders must submit items of business in writing to our Secretary at our principal executive offices. We must receive the notice of your intention to propose an item of business at our 2006 Annual Meeting no later than 45 days in advance of the 2006 Annual Meeting if it is being held within 30 days preceding the anniversary date (June 7, 2005) of this year's meeting.

For any other meeting, the item of business must be received by the tenth day following the date of public disclosure of the date of the meeting. These requirements are separate from and in addition to the SEC's requirements described in the first paragraph of this section relating to including a proposal in our proxy statements.

Our Annual Meeting of Shareholders is generally held on the first Tuesday in June. Assuming that our 2006 Annual Meeting is held on schedule, we must receive notice of your intention to introduce a nomination or other item of business at that meeting by April 22, 2006.

In order to curtail controversy as to the date on which a proposal was received by us, it is suggested that proponents submit their proposals by certified mail-return receipt requested. Such proposals must also meet the other requirements established by the Securities and Exchange Commission for shareholder proposals.

SHAREHOLDER COMMUNICATIONS WITH THE BOARD OF DIRECTORS

Because of we are a mid-size company, to date we have not developed formal processes by which shareholders may communicate directly with directors. Instead, we believe that our informal process by which any communication sent to the Board of Directors either generally or in care of a corporate officer, has served the shareholders' needs. Until any other procedures are developed and posted on our web site at www.citizensinc.com, any communication to the Board of Directors may be mailed to:

Citizens, Inc.
Board of Directors (or committee name or Director's name as appropriate)
400 East Anderson Lane
Austin, Texas 78752

Shareholders should clearly note on the mailing envelope that the letter is a Shareholder-Board Communication. All such communications should identify the author as a shareholder and clearly state whether the intended recipients are all members of the Board of Directors or just certain specified individual directors.
