Item 4. Purpose of Transaction.

Item 4 is amended and restated in its entirety as set forth below.

On October 7, 2005, pursuant to the Merger Agreement and a Certificate of Merger filed by Vialta with the Delaware Secretary of State, the Transaction became effective, and Victory merged with and into Vialta with Vialta surviving the transaction. As part of the Transaction:

- (i) all shares of Vialta common stock that were held immediately prior to the effective time of the Transaction (1) in the treasury of Vialta, (2) by any wholly-owned subsidiary of Vialta, (3) by Victory or (4) by any of the Victory Stockholders were cancelled and retired without consideration payable therefor;
- (ii) each other share of Vialta common stock outstanding immediately prior to the effective time of the Transaction (other than any share as to which a dissenting stockholder had perfected and not lost appraisal or dissenters' rights under Delaware or California law, respectively, which share was converted into the right to receive such consideration as may be determined pursuant to applicable Delaware or California law) was converted into the right to receive \$0.36 in cash without interest upon surrender and acceptance of the certificates for such shares by Vialta's Exchange Agent;
- (iii) each share of Victory common stock outstanding immediately prior to the effective time of the Transaction was converted into one share of common stock of Vialta, as the surviving corporation of the Transaction, resulting in the Reporting Persons owning, as a group, 100% of the Issuer Common Stock outstanding immediately after completion of the Transaction;
- (iv) each vested option to acquire Vialta common stock outstanding immediately prior to the effective time of the Transaction (each an *Issuer Option*) (other than those held by Victory, its officers, directors, stockholders or affiliates (each a *Victory Option*)) was cancelled and converted into the right to receive cash in respect of such Issuer Option in an amount equal to the product of (A) the excess, if any, of the \$0.36 per share merger consideration over the per share exercise price of such Issuer Option, multiplied by (B) the number of vested shares subject to such Issuer Option, without interest and net of any withholding taxes, subject to the option holder's execution and delivery of a written consent on a form provided by Vialta's Exchange Agent to the effect that the cash payment for such option is in full consideration for cancellation of such Issuer Option; and
- (v) each outstanding Victory Option (if any) was cancelled without consideration.

The Transaction was subject to the approval of Issuer's stockholders, and the following key closing conditions:

- (i) no material adverse effect shall have occurred, (ii) counsel to Issuer shall have delivered an opinion of counsel, and (iii) Issuer shall have at least \$14,335,000 in cash and cash equivalents as of midnight on the day prior to the closing of the Transaction. The approval of the Issuer's stockholders was obtained on October 6, 2005, and the other closing conditions were satisfied prior to the completion of the Transaction.

The Transaction could have been terminated before it became effective: (i) by mutual written consent of the Board of Directors of each of Victory and Issuer, (ii) by either Issuer or Victory, if the Transaction had not been consummated by October 15, 2005 (provided that failure

Page 16 of 30 Pages

to consummate was not caused by the failure or inaction of the party seeking to terminate), (iii) if a governmental entity had issued a final decree or order restraining or otherwise enjoining the Transaction, (iv) if approval by Issuer's stockholders had not been obtained, after Issuer had engaged in a proper proxy solicitation and duly-convened meeting of Issuer's stockholders, (v) by Victory, if Issuer's Special Committee had withdrawn support for the Transaction, (vi) by either Issuer or Victory, upon the breach of the other party, which breach was not cured following notice and a cure period, or (vii) by Issuer, if it had been necessary to do so to comply with Issuer's fiduciary duties. None of the conditions for termination occurred before the completion of the Transaction.

In order to fund the payments to be made to Issuer's stockholders and vested option holders (other than on account of Victory Options), Issuer was required to deposit sufficient cash into an **Exchange Fund**, held by the **Exchange Agent** for the Transaction, for the benefit of the Issuer's stockholders and holders of Issue Options. Had Issuer had insufficient cash to deposit into the Exchange Fund for this purpose, Victory would have been required to deposit into the Exchange Fund additional cash equal to the shortfall (the **Shortfall**), but not to exceed a maximum of \$4,000,000. Because Issuer had sufficient cash at the completion of the Transaction to fund the Exchange Fund in full, Victory was not required to deposit any amounts in the Exchange Fund.

In connection with the Merger Agreement, Mr. Fred Shiu Leung Chan entered into an Additional Contribution Agreement with Victory, pursuant to which Mr. Chan agreed to loan an amount of cash to Victory equal to the Shortfall (if any), up to a maximum of \$4,000,000, in the event that a Shortfall existed at the relevant time (the **Additional Contribution Agreement**). Because Issuer had sufficient cash at the completion of the Transaction to fund the Exchange Fund in full, no Shortfall occurred and Mr. Chan was not required to make any loan to Victory under the Additional Contribution Agreement.

In connection with the Merger Agreement, Victory entered into a Pledge Agreement with the Issuer, pursuant to which Victory pledged all shares of Issuer Common Stock owned or controlled by Victory to Issuer (the **Pledged Shares**), to secure Victory's obligations under the Merger Agreement to make up the Shortfall (if any) (the **Pledge Agreement**). Pursuant to the Pledge Agreement, Victory agreed (i) not to sell or transfer any of the Pledged Shares without consent of the Issuer, and (ii) not to permit a lien, security interest or other encumbrance upon the Pledged Shares (other than that granted pursuant to the Pledge Agreement). Because Issuer had sufficient cash at the completion of the Transaction to fund the Exchange Fund in full, Victory was not required to deposit any amounts in the Exchange Fund and its obligations under the Pledge Agreement have terminated.

In connection with the Merger Agreement, Victory entered into a Voting Agreement with the Issuer, pursuant to which Victory agreed to vote, and did vote, its shares of Issuer Common Stock in favor of the Transaction.

Following the consummation of the Transaction, the Issuer, as the surviving entity, is no longer listed on the Nasdaq OTC Bulletin Board, and it is in the process of terminating its reporting obligations under the Act.

Upon the completion of the Transaction and the filing of the Certificate of Merger with the Delaware Secretary of State, the Certificate of Incorporation of Vialta was restated in its entirety

in the form set forth as Exhibit A to the Certificate of Merger. In addition, Mr. Chan became the sole director of Vialta.

Except as set forth above or in Item 5, the Reporting Persons have no plans or proposals concerning the Issuer with respect to the matters set forth in subparagraphs (a) through (j) of Item 4 of Rule 13d-101.

Item 5. Interest in Securities of the Issuer.

Item 5 is hereby amended to provide updated information concerning the interests of the Reporting Persons in securities of the Issuer as a result of, and immediately following the effective time of, the Transaction.

(a)-(b) Unless otherwise noted, all percentage amounts referenced in this Item 5 are calculated based on the cancellation upon the effective time of the Transaction of 32,039,840 shares of Victory's common stock outstanding as of immediately prior to the Transaction held by the Victory Stockholders and conversion of such shares into 32,039,840 shares of the Issuer Common Stock upon the effective time of the Transaction, and the cancellation upon the effective time of the Transaction of all other shares of Vialta common stock outstanding immediately prior to the effective time of the Transaction held by all other stockholders of Vialta. The effect generally of the completion of the Transaction on outstanding securities of Vialta is set forth in Item 4.

Beneficial Ownership by Group. In connection with the Transaction, the Reporting Persons together constituted a group within the meaning of Section 13(d)(3) of the Act in that they acted together with respect to their contribution of the Issuer's shares held by them to Victory as described in the Contribution Agreement, and the acquisition through the Transaction by them, as a group, of 100% of the outstanding shares of Issuer Common Stock. Information with respect to each member of the group is described below.

As members of a group, each of the Reporting Persons in this amendment might have been deemed immediately prior to the effective time of the Transaction to have shared beneficial ownership of 33,039,840 shares of the Issuer Common Stock held by the group (and Victory) as a whole. These shares consisted of 32,039,840 shares held by Victory Acquisition Corp. and 1,000,000 shares of Issuer's Common Stock that Fred Shiu Leung Chan had the right acquire upon exercise of vested stock options. At the time of execution of the Contribution Agreement, these shares represented 39.3% of the then outstanding Issuer Common Stock, based on 83,052,852 shares of the Issuer's Common Stock outstanding as of March 7, 2005, as reported in the Issuer's Annual Report on Form 10-K filed with the Commission on March 31, 2005.

As a result of the completion of the Transaction, as members of a group, each of the Reporting Persons might be deemed immediately after the effective time of the Transaction to share beneficial ownership of 32,039,840 shares of the Issuer Common Stock held by the group as a whole, which represents 100% of the currently outstanding Issuer Common Stock immediately following completion of the Transaction.

Ownership of Reporting Persons Individually as a Result of Transaction. Immediately after the effective time of the Transaction, the Reporting Persons were beneficial holders of shares of the Issuer as follows:
