PROXY STATEMENT
FOR THE ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD NOVEMBER 20, 2006**

The Board of Directors of Transcontinental Realty Investors, Inc. (the Company or we or us) is soliciting proxies to be used at the 2006 Annual Meeting of Stockholders (the Annual Meeting), Distribution of this Proxy Statement and a Proxy Form is scheduled to begin on October 17, 2006. The mailing address of the Company s principal executive offices is 1800 Valley View Lane., Suite 300, Dallas, Texas 75234.

About the Meeting

Who Can Vote

Record holders of Common Stock of the Company at the close of business on Friday, October 13, 2006 (the Record Date) may vote at the Annual Meeting. On that date, 7,900,869 shares of Common Stock were outstanding. Each share is entitled to cast one vote.

How Can You Vote

If you return your signed proxy before the Annual Meeting, we will vote your shares as you direct. You can specify whether your shares should be voted for all, some or none of the nominees for director. You can also specify whether you approve, disapprove or abstain from the other proposal to ratify the selection of auditors.

If a proxy is executed and returned but no instructions are given, the shares will be voted according to the recommendations of the Board of Directors. The Board of Directors recommends a vote **FOR** Proposals 1 and 2.

Revocation of Proxies

You may revoke your proxy at any time before it is exercised by (a) delivering a written notice of revocation to the Corporate Secretary, (b) delivering another proxy that is dated later than the original proxy, or (c) casting your vote in person at the Annual Meeting. Your last vote will be the vote that is counted.

Vote Required

The holders of a majority of the shares entitled to vote who are either present in person or represented by a proxy at the Annual Meeting will constitute a quorum for the transaction of business at the Annual Meeting. As of October 13, 2006, there were 7,900,869 shares of Common Stock issued and outstanding. The presence in person or by proxy of stockholders entitled to cast at least 3,950,435 votes constitutes a quorum for adopting the proposals at the Annual Meeting. If you have properly

Table of Contents

signed and returned your proxy card by mail, you will be considered part of the quorum, and the persons named on the proxy card will vote your shares as you have instructed. If the broker holding your shares in street name indicates to us on a proxy card that the broker lacks discretionary authority to vote your shares, we will not consider your shares as present or entitled to vote for any purpose.

A plurality of the votes cast is required for the election of directors. This means that the director nominee with the most votes for a particular slot is elected to that slot. A proxy that has properly withheld authority with respect to the election of one or more directors will not be voted with respect to the director or directors indicated, although it will be counted for purposes of determining whether there is a quorum.

For the other proposal, the affirmative vote of the holders of a majority of the shares represented in person or by proxy entitled to vote on the proposal will be required for approval. An abstention with respect to such proposal will not be voted, although it will be counted for purposes of determining whether there is a quorum. Accordingly, an abstention will have the effect of a negative vote.

As of the Record Date, affiliates held 6,491,375 shares representing approximately 82% of the shares outstanding. These affiliates have advised the Company that they currently intend to vote all of their shares in favor of the approval of both proposals.

If you received multiple proxy cards, this indicates that your shares are held in more than one account, such as two brokerage accounts, and are registered in different names. You should vote each of the proxy cards to ensure that all your shares are voted.

Other Matters to be Acted Upon at the Annual Meeting

We do not know of any other matters to be validly presented or acted upon at the Annual Meeting. Under our Bylaws, no business besides that stated in the Annual Meeting Notice may be transacted at any meeting of stockholders. If any other matter is presented at the Annual Meeting on which a vote may be properly taken, the shares represented by proxies will be voted in accordance with the judgment of the person or persons voting those shares.

Expenses of Solicitation

The Company is making this solicitation and will pay the entire cost of preparing, assembling, printing, mailing and distributing these proxy materials and soliciting votes. Some of our directors, officers and employees may solicit proxies personally, without any additional compensation, by telephone or mail. Proxy materials will also be furnished without cost to brokers and other nominees to forward to the beneficial owners of shares held in their names.

Governance and Nominating Committee. The Governance and Nominating Committee is responsible for developing and implementing policies and practices relating to corporate governance, including reviewing and monitoring implementation of the Company's *Corporate Governance Guidelines*. In addition, the Committee develops and reviews background information on candidates for the Board and makes recommendations to the Board regarding such candidates. The Committee also prepares and supervises the Board's annual review of director independence and the Board's performance self-evaluation. The charter of the Governance and Nominating Committee was adopted on March 17, 2004 and is available on the Company's Investor Relations website (www.transconrealty-invest.com). The Board selected the current members of the Governance and Nominating Committee for the coming year on December 15, 2005, as shown above. The charter of the Compensation Committee was adopted on March 17, 2004, and is available on the Company's Investor Relations website (www.transconrealty-invest.com). The Board selected the current members of the Compensation Committee for the coming year on December 15, 2005, as shown above. All of the members of the Committee are independent within the meaning of the listing standards of the New York Stock Exchange and the Company's *Corporate Governance Guidelines*. The Compensation Committee is to be comprised of at least two directors who are independent of management and the Company. The Compensation Committee met one time during 2005.

Presiding Director

In June 17, 2004, the Board created a new position of presiding director, whose primary responsibility is to preside over periodic executive sessions of the Board in which management directors and other members of management do not participate. The presiding director also advises the Chairman of the Board and as appropriate, Committee chairs with respect to agendas and information needs relating to Board and Committee meetings, provides advice with respect to the selection of Committee chairs and performs other duties that the Board may from time to time delegate to assist the Board in the fulfillment of its responsibilities.

Former Director Martin L. White served in such position from June 17, 2004 to November 22, 2005. In December 2005, the non-management members of the Board designated Ted R. Munselle to serve in this position until the Company's 2006 annual meeting of stockholders to be held following the fiscal year ended December 31, 2005.

Table of Contents

Selection of Nominees for the Board

The Governance and Nominating Committee will consider candidates for Board membership suggested by its members and other Board members, as well as management and stockholders. The Committee may also retain a third-party executive search firm to identify candidates upon request of the Committee from time to time. A stockholder who wishes to recommend a prospective nominee for the Board should notify the Company's Corporate Secretary or any member of the Governance and Nominating Committee in writing with whatever supporting material the stockholder considers appropriate. The Governance and Nominating Committee will also consider whether to nominate any person nominated by a stockholder pursuant to the provisions of the Company's bylaws relating to stockholder nominations.

Once the Governance and Nominating Committee has identified a prospective nominee, the Committee will make an initial determination as to whether to conduct a full evaluation of the candidate. This initial determination will be based on whatever information is provided to the Committee with the recommendation of the prospective candidate, as well as the Committee's own knowledge of the prospective candidate, which may be supplemented by inquiries to the person making the recommendation or others. The preliminary determination will be based primarily on the need for additional Board members to fill vacancies or expand the size of the Board and the likelihood that the prospective nominee can satisfy the evaluation factors described below. If the Committee determines, in consultation with the Chairman of the Board and other Board members as appropriate, that additional consideration is warranted, it may request the third-party search firm to gather additional information about the prospective nominee's background and experience and to report its findings to the Committee. The Committee will then evaluate the prospective nominee against the standards and qualifications set out in the Company's *Corporate Governance Guidelines*, including:

the ability of the prospective nominee to represent the interests of the stockholders of the Company;

the prospective nominee's standards of integrity, commitment and independence of thought and judgment;

the prospective nominee's ability to dedicate sufficient time, energy, and attention to the diligent performance of his or her duties, including the prospective nominee's service on other public company boards, as specifically set out in the Company's *Corporate Governance Guidelines*;

the extent to which the prospective nominee contributes to the range of talent, skill and expertise appropriate for the Board;

the extent to which the prospective nominee helps the Board reflect the diversity of the Company's stockholders, employees, customers, guests and communities; and

the willingness of the prospective nominee to meet any minimum equity interest holding guideline.

Table of Contents

The Committee also considers such other relevant factors as it deems appropriate, including the current composition of the Board, the balance of management and independent directors, the need for Audit Committee expertise and the evaluations of other prospective nominees. In connection with this evaluation, the Committee determines whether to interview the prospective nominee, and if warranted, one or more members of the Committee, and others as appropriate, interview prospective nominees in person or by telephone. After completing this evaluation and interview, the Committee makes a recommendation to the full Board as to the persons who should be nominated by the Board, and the Board determines the nominees after considering the recommendation and report of the Committee.

The Bylaws of the Company provide that any stockholder entitled to vote at the Annual Meeting in the election of directors generally may nominate one or more persons for election as directors at a meeting only if written notice of such stockholders' intention to make such nomination has been delivered personally to, or has been mailed to and received by the Secretary at the principal office of the Company not later than 35 nor more than 60 days prior to the meeting. If a stockholder has a suggestion for candidates for election, the stockholder should follow this procedure. Each notice from a stockholder must set forth (i) the name and address of the stockholder who intends to make the nomination and the name of the person to be nominated, (ii) the class and number of shares of stock held of record, owned beneficially and represented by proxy by such stockholder as of the record date for the meeting and as of the date of such notice, (iii) a representation that the stockholder intends to appear in person or by proxy at the meeting to nominate the person specified in the notice, (iv) a description of all arrangements or understandings between such stockholder and each nominee and any other person (naming those persons) pursuant to which the nomination is to be made by such stockholder, (v) such other information regarding each nominee proposed by such stockholder as would be required to be included in a proxy statement filed pursuant to the proxy rules, and (vi) the consent of each nominee to serve as a director of the Company if so elected. The chairman of the Annual Meeting may refuse to acknowledge the nomination of any person not made in compliance with this procedure.

Determinations of Director Independence

In February 2004, the Board enhanced its *Corporate Governance Guidelines*. The *Guidelines* adopted by the Board meet or exceed the new listing standards adopted by the New York Stock Exchange. The full text of the *Guidelines* can be found in the Investor Relations section of the Company's website (www.transconrealty-invest.com). A copy may also be obtained upon request from the Company's Corporate Secretary.

Pursuant to the *Guidelines*, the Board undertook its annual review of director independence in February 2006. During this review, the Board considered transactions and relationships between each director or any member of his or her immediate family and the Company and its subsidiaries and affiliates, including those reported under *Certain Relationships and Related Transactions* below. The Board also examined transactions and relationships between directors or their affiliates and members of the Company's senior management or their affiliates. As provided in the *Guidelines*, the purpose of this review was to determine whether any such relationships or transactions were inconsistent with a determination that the director is independent.

As a result of this review, the Board affirmatively determined directors. Ted R. Munselle, Robert A. Jakuszewski, and Sharon Hunt are each independent of the Company and its management under the standards set forth in the *Corporate Governance Guidelines*.

Table of Contents

Board Meetings During Fiscal 2005

The Board met 14 times during fiscal 2005. No incumbent director attended fewer than 75% of the meetings of the Board, and each director attended all of the meetings of the Committees on which he or she served. Under the Company's *Corporate Governance Guidelines*, each Director is expected to dedicate sufficient time, energy and attention to ensure the diligent performance of his or her duties, including by attending meetings of the stockholders of the Company, the Board and Committees of which he or she is a member. In addition, the independent directors met in executive session four times during fiscal 2005.

Directors Compensation

Each non-employee director receives an annual retainer of \$30,000 plus reimbursement for expenses. The Chairman of the Board receives an additional fee of \$3,000 per year. Each director who serves as a member of the Audit Committee receives \$250 for each Audit Committee meeting attended. In addition, each independent director receives an additional fee of \$1,000 per day for any special services rendered by him to the Company outside of his or ordinary duties as a director plus reimbursement of expenses. The Company also reimburses directors for travel expenses incurred in connection with attending Board, committee and stockholder meetings and for other Company-business related expenses. Directors who are also employees of the Company or its Advisor receive no additional compensation for service as a director.

During 2005, \$133,498 was paid to the non-employee directors in total directors' fees for all services, including the annual fee for service during the period from January 1, 2005 through December 31, 2005, and special service fees. Those fees received by directors were Martin L. White (\$35,698), who did not stand for re-election on November 22, 2005, Sharon Hunt (\$32,500), Ted Munselle (\$32,500), Ted P. Stokely (\$33,250), and Robert A. Jakuszewski, (\$0), who was elected as a director on November 22, 2005.

On October 10, 2000, the stockholders of the Company approved the Directors Stock Option Plan (the Directors Plan) which provides for the availability of options to purchase shares of Common Stock. The Directors Plan provides for automatic annual grants of options to directors of the Company who, at the time of grant of an option are not, and have not been for at least one year, either an employee or officer of the Company or any of its affiliates. Options granted pursuant to the Directors Plan are immediately exercisable and expire on the earlier of the first anniversary of the date on which a director ceases to be a director or ten years from the date of grant. Each non-employee director was granted an option to purchase 5,000 shares on January 1 of each year. The exercise price of shares issued pursuant to each option was to be 100% of the fair market value of the shares on the date of grant of each option. At December 31, 2005, under the Directors Plan, options covering 40,000 shares were outstanding, of which options covering 10,000 shares are exercisable at \$ 17.64 per share, options covering 10,000 shares are exercisable at \$16.73 per share and options covering 20,000 shares are exercisable at \$14.25 per share. The Directors Plan was terminated by the Board of Directors on December 15, 2005.

On October 20, 2000, stockholders of the Company approved the 2000 Stock Option Plan (the Option Plan) which provides for options to purchase up to 300,000 shares of Common Stock. The Option Plan is intended principally as an incentive for and as a means of encouraging ownership of the Company's Common Stock by eligible persons, including directors and officers of the Company. Options may be granted either as an incentive stock option (which qualifies for certain favorable tax

Table of Contents

treatment) or as a non-qualified stock option. Incentive stock options cannot be granted to, among others, persons who are not employees of the Company or any parent or subsidiary of the Company, or to persons who fail to satisfy certain criteria concerning ownership of less than 10% of the shares of Common Stock of the Company. The Option Plan was administered by the Stock Option Committee, which consisted of three independent directors of the Company, Messrs, Munselle and White and Ms. Hunt. The exercise price per share of an option is not be less than 100% of the fair market value per share on the date of grant. The Company receives no consideration for the grant of an option. At December 31, 2005, no options covering any shares were outstanding under the Option Plan. The Option Plan was terminated by the Board of Directors on December 15, 2005. No options were granted under the Option Plan in 2005. None of the executive officers (Messrs, Abney or Corna) nor any of the directors of the Company hold any options under the Option Plan.

Stockholders Communication with the Board

Stockholders and other parties interested in communicating directly with the presiding director or with the non-Management directors as a group may do so by writing to Ted R. Munselle, Director, Post Office Box 830163, Richardson, Texas 75083-0163. Effective March 22, 2004, the Governance and Nominating Committee of the Board also approved a process for handling letters received by the Company and addressed to members of the Board but received at the Company. Under that process, the Corporate Secretary of the Company reviews all such correspondence and regularly forwards to the Board a summary of all such correspondence and copies of all correspondence that, in the opinion of the Corporate Secretary, deals with the functions of the Board or committees thereof or that he otherwise determines requires their attention. Directors may at any time review a log of all correspondence received by the Company that is addressed to members of the Board and received by the Company and request copies of any such correspondence. Concerns relating to accounting, internal controls or auditing matters are immediately brought to the attention of the Chairman of the Audit Committee and handled in accordance with procedures established by the Audit Committee with respect to such matters.

The Company has adopted a Code of Business Conduct and Ethics, which applies to all directors, officers and employees (including those of the Contractual Advisor). In addition, the Company has adopted a code of ethics entitled Code of Ethics for Senior Financial Officers that applies to the principal executive officer, president, principal financial officer, chief financial officer, the principal accounting officer and controller. The text of both documents is available on the Company's Investor Relations website (www.transconrealty-invest.com). The Audit Committee has appointed Farmer, Fuqua & Huff, P.C. as the independent registered public accounting firm of the Company for the 2006 fiscal year and to conduct quarterly reviews through September 30, 2006. The fees paid the principal auditors for services as described in the above table fall under the categories listed below:

**Report of the Audit Committee
Of the Board of Directors**

The Audit Committee of the Board of Directors is composed of three directors, each of whom satisfies the requirements of independence, experience and financial literacy under the requirements of the New York Stock Exchange and the SEC. The Audit Committee has directed the preparation of this report and has approved its content and submission to the stockholders.

The Audit Committee operates under a written charter adopted by the Board of Directors. The Committee's responsibilities are set forth in this charter which is available on our website at www.transconrealty-invest.com.

The Audit Committee assists the Board in fulfilling its responsibilities for general oversight of the integrity of the Company's financial statements, the adequacy of the Company's system of internal controls, the Company's risk management, the Company's compliance with legal and regulatory requirements, the independent auditors' qualifications and independence, and the performance of the Company's independent auditors. The Committee has sole authority over the selection of the Company's independent auditors and manages the Company's relationship with its independent auditors. The Committee has the authority to obtain advice and assistance from outside legal, accounting or other advisors as the Committee deems necessary to carry out its duties and receive appropriate funding, as determined by the Committee, from the Company for such advice and assistance.

The Committee met eight times during 2005. The Committee schedules its meetings with a view to ensuring that it devotes appropriate attention to all of its tasks. The Committee's meetings include private sessions with the Company's independent auditors without the presence of the Company's management, as well as executive sessions consisting of only Committee members. The Committee also meets senior management from time to time.

Management is responsible for the Company's financial reporting process, including its system of internal control over financial reporting and for the preparation of consolidated financial statements in accordance with accounting principles generally accepted in the United States of America. The Company's independent auditors are responsible for auditing those financial statements in accordance with professional standards and expressing an opinion as to their material conformity with accounting principles generally accepted in the United States of America and for auditing management's assessment of, and the effective operation of, internal control over financial reporting. The Committee's responsibility is to monitor and review the Company's financial reporting process and discuss management's report on the Company's internal control over financial reporting. It is not the Committee's duty or responsibility to conduct audits or accounting reviews or procedures. The Committee has relied, without independent verification, on management's representation that the financial statements have been prepared with integrity and objectivity and in conformity with accounting principles generally accepted in the United States of America and on the opinion of the independent registered public accountants included in their report on the Committee's financial statements.

As part of its oversight of the Company's financial statements, the Committee reviews and discusses with both management and the Company's independent registered public accountants all annual and quarterly financial statements prior to their issuance. During 2005, management advised the Committee that each set of financial statements reviewed had been prepared in accordance with accounting principles generally accepted in the United States of America, and reviewed significant

Table of Contents

accounting and disclosure issues with the Committee. These reviews include discussions with the independent accountants of the matters required to be discussed pursuant to Statement on Auditing Standards No. 61 (Codification of Statements on Auditing Standards), including the quality (not merely the acceptability) of the Company's accounting principles, the reasonableness of significant judgments, the clarity of disclosures in the financial statements and disclosures related to critical accounting practices. The Committee has also discussed with Farmer, Fuqua & Huff, P.C. matters relating to its independence, including a review of audit and non-audit fees, and written disclosures from Farmer, Fuqua & Huff, P.C. to the Company pursuant to Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees). The Committee also considered whether non-audit services, provided by the independent accountants are compatible with the independent accountant's independence. The Company also received regular updates on the amount of fees and scope of audit, audit-related and tax services provided.

In addition, the Committee reviewed key initiatives and programs aimed at strengthening the effectiveness of the Company's internal and disclosure control structure. As part of this process, the Committee continued to monitor the scope and adequacy of the Company's internal controls, reviewed staffing levels and steps taken to implement recommended improvements in any internal procedures and controls.

Based on the Committee's discussion with management and the independent accountants and the Committee's review of the representation of management and the report of the independent accountants to the Board of Directors, the Audit Committee recommended to the Board of Directors, and the Board of Directors has approved, that the audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2005, filed with the Securities and Exchange Commission. The Audit Committee and the Board of Directors have also selected Farmer, Fuqua & Huff, P.C. as the Company's independent registered public accountants and auditors for the fiscal year ending December 31, 2006.

Pre-Approval Policy for Audit and Non-Audit Services

Under the Sarbanes-Oxley Act of 2002 (the "SO Act"), and the rules of the Securities and Exchange Commission (the "SEC"), the Audit Committee of the Board of Directors is responsible for the appointment, compensation and oversight of the work of the independent auditor. The purpose of the provisions of the SO Act and the SEC rules for the Audit Committee role in retaining the independent registered public accounting firm is two-fold. First, the authority and responsibility for the appointment, compensation and oversight of the auditors should be with directors who are independent of management. Second, any non-audit work performed by the auditors should be reviewed and approved by these same independent directors to ensure that any non-audit services performed by the auditor do not impair the independence of the independent auditor. To implement the provisions of the SO Act, the SEC issued rules specifying the types of services that an independent auditor may not provide to its audit client, and governing the Audit Committee's administration of the engagement of the independent auditor. As part of this responsibility, the Audit Committee is required to pre-approve the audit and non-audit services performed by the independent auditor in order to assure that they do not impair the auditor's independence. Accordingly, the Audit Committee has adopted a written pre-

Table of Contents

approval policy of audit and non-audit services (the Policy), which sets forth the procedures and conditions pursuant to which services to be performed by the independent auditor are to be pre-approved. Consistent with the SEC rules establishing two different approaches to approving non-prohibited services, the policy of the Audit Committee covers pre-approval of audit services, audit-related services, international administration tax services, non-U.S. income tax compliance services, pension and benefit plan consulting and compliance services, and U.S. tax compliance and planning. At the beginning of each fiscal year, the Audit Committee will evaluate other known potential engagements of the independent auditor, including the scope of work proposed to be performed and the proposed fees, and approve or reject each service, taking into account whether services are permissible under applicable law and the possible impact of each non-audit service on the independent auditor's independence from management. Typically, in addition to the generally pre-approved services, other services would include due diligence for an acquisition that may or may not have been known at the beginning of the year. The Audit Committee has also delegated to any member of the Audit Committee designated by the Board or the financial expert member of the Audit Committee responsibilities to pre-approve services to be performed by the independent auditor not exceeding \$25,000 in value or cost per engagement of audit and non-audit services, and such authority may only be exercised when the Audit Committee is not in session.

Compensation Committee Report

The Compensation Committee of the Board of Directors is comprised of at least two directors who are independent of management and the Company. Each member of the Compensation Committee must be determined to be independent by the Board under the Corporate Governance Guidelines on Director Independence adopted by the Board and under the NYSE standards for non-employee directors and Rule 16b-3(b)(3)(i) of the rules and regulations promulgated under the Securities Exchange Act of 1934 and the requirements for outside directors set forth in Treasury Regulations, Section 27(e)(3). Each member of the Committee is to be free of any relationship that, in the judgment of the Board, from time to time may interfere with the exercise of his or her independent judgment. Each Committee member is appointed annually subject to removal at any time by the Board and serves until his or her Committee appointment is terminated by the Board. The Compensation Committee is composed of three directors, each of whom meets the standards described above.

The purposes of the Compensation Committee is to oversee the policies of the Company relating to compensation to be paid by the Company to the Company's principal executive officer (CEO) and any other officers designated by the Board and make recommendations to the Board with respect to such policies, produce necessary reports and executive compensation for inclusion in the Company's proxy statement, in accordance with applicable rules and regulations, and monitor the development and implementation of succession plans for the CEO and other key executives and make recommendations to the Board with respect to such plans.

The Company has no employees, payroll or benefit plans and pays no compensation to its executive officers. The executive officers of the Company, who are also officers or employees of Prime Income Asset Management LLC (Prime), are compensated by Prime. Such executive officers perform a variety of services for Prime, and the amount of their compensation is determined solely by Prime. Prime does not allocate the cash compensation of its officers among the various entities for which it may serve as advisor or sub-advisor.

Table of Contents

The only remuneration paid by the Company is to directors who are not officers or directors of Prime. These independent directors (i) review the business plan of the Company to determine that it is in the best interest of the stockholders, (ii) review the advisory contract, (iii) supervise the performance of the Company's advisor, and review the reasonableness of the compensation paid to the advisor in terms of the nature and quality of services performed, (iv) review the reasonableness of the total fees and expenses of the Company, and (v) select, when necessary, a qualified, independent real estate appraiser to appraise properties acquired. See Directors' Compensation for a description of the compensation paid.

The charter of the Compensation Committee was adopted on March 17, 2004, and the members of the Compensation Committee, all of whom are independent within the meaning of the listing standards of the NYSE and the Company's Corporate Governance Guidelines, are listed below. Since its formation on March 17, 2004, the Compensation Committee has annually reviewed its existing charter and regularly performed the tasks described above relating to the business plan, advisory contract, reasonableness of compensation paid to the advisor, and the reasonableness of the total fees and expenses of the Company.

The Advisor

Although the Board of Directors is directly responsible for managing the affairs of the Company and for setting the policies which guide it, day-to-day operations are performed by a contractual advisor under the supervision of the Board of Directors. The duties of the advisor include, among other things, locating, investigating, evaluating and recommending real estate and mortgage note investment and sales opportunities, as well as financing and refinancing sources. The advisor also serves as a consultant to the Board of Directors in connection with the business plan and investment decisions made by the Board.

Prior to July 1, 2003, BCM served as the advisor to the Company since March 1989. On July 1, 2003, PIAMI became the advisor to the Company until October 1, 2003 when it was replaced by Prime. PIAMI is the sole member of Prime. PIAMI is owned by Syntek West, Inc. (20%) and Realty Advisors, LLC (80%). Syntek West, Inc. (SWI) is a Nevada corporation owned by Gene E. Phillips. Realty Advisors, LLC is a Nevada limited liability company the sole member of which is Realty Advisors, Inc. (RAI), a Nevada corporation owned by a Trust for the benefit of the children of Gene E. Phillips. Mr. Phillips is not an officer or director of Prime, but serves as a representative of the owners of Prime and is involved in daily consultation with the officers of Prime and has significant influence over the conduct of Prime's business, including the rendering of advisory services and the making of investment decisions for itself and the Company.

Under the Advisory Agreement, Prime is required to annually formulate and submit for Board approval a budget and business plan containing a twelve-month forecast of operations and cash flow, a general plan for asset sales and purchases, borrowing activity and other investments. Prime is required to report quarterly to the Board on the Company's performance against the business plan. In addition, all transactions require prior Board approval, unless they are explicitly provided for in the approved plan or are made pursuant to authority expressly delegated to Prime by the Board.

The Advisory Agreement also requires prior approval of the Board for the retention of all consultants and third party professionals, other than legal counsel. The Advisory Agreement provides that Prime shall be deemed to be in a fiduciary relationship to the stockholders; contains a broad

Table of Contents

standard governing Prime's liability for losses by the Company; and contains guidelines for Prime's allocation of investment opportunities as among itself, the Company and other entities it advises.

The Advisory Agreement provides for the advisor to receive monthly base compensation at the rate of 0.0625% per month (0.75% on an annualized basis) of average gross asset value (total assets less allowance for amortization, depreciation or depletion and valuation reserves) and an annual net income fee equal to 7.5% of the Company's net income.

The Advisory Agreement also provides for Prime to receive an annual incentive sales fee equal to 10% of the amount, if any, by which the aggregate sales consideration for all real estate sold by the Company during such fiscal year exceeds the sum of: (i) the cost of each such property originally recorded in the Company's books for tax purposes (without deduction for depreciation, amortization or reserve for losses), (ii) capital improvements made to such assets during the period owned, and (iii) all closing costs, (including real estate commissions) incurred in the sale of such real estate; provided, however, no incentive fee shall be paid unless (a) such real estate sold in such fiscal year, in the aggregate, has produced 8% simple annual return on the net investment including capital improvements, calculated over the holding period before depreciation and inclusive of operating income and sale consideration, and (b) the aggregate net operating income from all real estate owned for each of the prior and current fiscal years shall be at least 5% higher in the current fiscal year than in the prior fiscal year.

Additionally, pursuant to the Advisory Agreement, Prime or an affiliate of Prime is to receive an acquisition commission for supervising the acquisition, purchase or long-term lease of real estate equal to the lesser of (i) up to 1% of the cost of acquisition, inclusive of commissions, if any, paid to non-affiliated brokers, or (ii) the compensation customarily charged in arm's-length transactions by others rendering similar property acquisition services as an ongoing public activity in the same geographical location and for comparable property, provided that the aggregate purchase price of each property (including acquisition fees and real estate brokerage commissions) may not exceed such property's appraised value at acquisition.

The Advisory Agreement requires Prime or any affiliate of Prime to pay to the Company one-half of any compensation received from third parties with respect to the origination, placement or brokerage of any loan made by the Company; provided, however, that the compensation retained by Prime or any affiliate of Prime shall not exceed the lesser of (i) 2% of the amount of the loan commitment, or (ii) a loan brokerage and commitment fee which is reasonable and fair under the circumstances.

The Advisory Agreement also provides that Prime or an affiliate of Prime is to receive a mortgage or loan acquisition fee with respect to the acquisition or purchase of any existing mortgage loan by the Company equal to the lesser of (i) 1% of the amount of the loan purchased, or (ii) a brokerage and commitment fee which is reasonable and fair under the circumstances. Such fee will not be paid in connection with the origination or funding of any mortgage loan by the Company.

Under the Advisory Agreement, Prime or an affiliate of Prime also is to receive a mortgage brokerage and equity refinancing fee for obtaining loans or refinancing on properties equal to the lesser of (i) 1% of the amount of the loan or the amount refinanced, or (ii) a brokerage or refinancing fee which is reasonable and fair under the circumstances; provided, however, that no such fee shall be paid on loans from Prime or an affiliate of Prime without the approval of the Company's Board of Directors. No fee shall be paid on loan extensions.

Table of Contents

Under the Advisory Agreement, Prime receives reimbursement of certain expenses incurred by it in the performance of advisory services. Under the Advisory Agreement, all or a portion of the annual advisory fee must be refunded by the advisor if the Operating Expenses of the Company (as defined in the Advisory Agreement) exceed certain limits specified in the Advisory Agreement based on the book value, net of asset value and net income of the Company during the fiscal year. BCM, as advisor at the time, was required to refund \$1.4 million of the 2002 advisory fee and was required to refund \$1.3 million of the 2003 advisory fee under this provision.

If and to the extent that the Company shall request of Prime, or any director, officer, partner or employee of Prime, to render services to the Company other than those required to be rendered by Prime under the Advisory Agreement, such additional services, if performed, will be compensated separately on terms agreed upon between such party and the Company from time to time.

The Advisory Agreement automatically renews from year to year unless terminated in accordance with its terms. Management believes that the terms of the Advisory Agreement are at least as fair as could be obtained from unaffiliated third parties.

Situations may develop in which the interests of the Company are in conflict with those of one or more directors or officers in their individual capacities or of Prime, or of their respective affiliates. In addition to services performed for the Company, Prime actively provides similar services as agent for, and advisor to, other real estate enterprises, including persons and entities involved in real estate developing and financing, including ARI and the Company. The Advisory Agreement provides that Prime may also serve as advisor to those entities.

As advisor, Prime is a fiduciary of the Company's public investors. In determining to which entity a particular investment opportunity will be allocated, Prime will consider the respective investment objectives of each entity and the appropriateness of a particular investment in light of each such entity's existing mortgage note and real estate portfolio and business plan. To the extent any particular investment opportunity is appropriate to more than one such entity, such investment opportunity will be allocated to the entity that has had funds available for investment for the longest period of time, or, if appropriate, the investment may be shared among various entities.

Effective July 1, 2005, the Company and Prime entered into a Cash Management Agreement to further define the administration of the Company's day-to-day investment operations, relationship contacts, flow of funds and deposit and borrowing of funds. Under the Cash Management Agreement, all funds of the Company are delivered to Prime which has a deposit liability to the Company and is responsible for payment of all payables and investment of all excess funds which earn interest at the Wall Street Journal Prime Rate plus 1% per annum, as set quarterly on the first day of each calendar quarter. Borrowings for the benefit of the Company bear the same interest rate. The term of the Cash Management Agreement is coterminous with the Advisory Agreement, and it is automatically renewed each year unless terminated with the Advisory Agreement.

Prime may assign the Advisory Agreement only with the prior consent of the Company.

The managers and principal officers of Prime are set forth below:

Currently, Triad Realty Services LP (Triad), an affiliate of Prime, and Carmel Realty, Inc. (Carmel) provide property management services to the Company s properties for a fee of 6% or less of the monthly gross rents collected on the residential properties under its management and 3% or less of the monthly gross rents collected on the commercial properties under its management. Triad and Carmel subcontract with other entities for the provision of property-level management services at various rates. The general partner of Triad is PIAMI. Since January 1, 2003, Triad subcontracted the property-level management and leasing of 24 of the Company s commercial properties (shopping centers, office buildings) to Regis Realty I, LLC (Regis I), a related party. Regis I was entitled to receive property and construction management fees and leasing commissions in accordance with the terms of its property-level management agreement with Triad. Since January 1, 2003, Regis Hotel I, LLC has managed four of the Company s hotels. The sole member of Regis I and Regis Hotel I, LLC is Highland. Carmel is a company previously owned by First Equity Properties, Inc., which is a company affiliated with BCM: on May 1, 2004, Regis I acquired the ownership of Carmel.

Regis I also provides real estate brokerage services to the Company and receives brokerage commissions in accordance with the Advisory Agreement.

Certain Relationships and Related Transactions

Certain Business Relationships

Effective July 1, 2003, PIAMI became the advisor to the Company and ARI. PIAMI is owned by Realty Advisors, LLC (80%) and Syntek West, Inc. (20%). On October 1, 2003, Prime, which is 100% owned by PIAMI, replaced PIAMI as the advisor to the Company and ARI. Prime is a company for which Messrs. Abney and Corna serve as executive officers. The executive officers of the Company also serve as executive officers of ARI, and Messrs. Abney and Corna also serve as executive officers of IOT, and owe fiduciary duties to each of those entities as well as to Prime under applicable law. ARI has the same relationship with Prime as does the Company.

The Company contracts with affiliates of Prime for property management services. Currently, Triad, an affiliate, and Carmel provide such property management services. The general partner of Triad is PIAMI. The limited partner of Triad is Highland, a related party. Triad subcontracts the property-

level management and leasing of 24 of the Company's commercial properties (office buildings, shopping centers) to Regis I, a related party, which is a company also owned by Highland. Regis I also provides real estate brokerage services to the Company and receives brokerage commissions in accordance with the Advisory Agreement. Carmel is a company owned (until May 1, 2004) by First Equity Properties, Inc., which is a company affiliated with BCM. On May 1, 2004, Regis I acquired the ownership of Carmel.

The Company owns an equity interest in IOT. At December 31, 2005, the Company owned, and at present continues to own, approximately 24% of IOT's outstanding common stock. ARI, through wholly-owned subsidiaries, owns approximately 82% of outstanding common stock of the Company; all of the Directors of the Company are also Directors of ARI.

Related Party Transactions

Historically, the Company, ARI, IOT, BCM and Prime have each engaged in, and may continue to engage in, business transactions, including real estate partnerships, with related parties. Management believes that all of the related party transactions represented the best investments available at the time and were at least as advantageous to the Company as could have been obtained from unrelated parties.

Operating Relationships

In the year ended December 31, 2005, the Company received \$56,000 in rent from Prime for a lease at Addison Hangar. BCM owns a corporate jet that is housed at the hangar, and the Company has available space at the hangar.

Property Transactions

In January 2002, the Company purchased 100% of the outstanding common shares of ART Two Hickory Corporation (Two Hickory) from ARI for \$4.4 million. The purchase price was determined based upon the market value of the property exchanged, using a market rate multiple of net operating income (cap rate) of 7%. The business purpose of the transaction was for the Company to make an equity investment in Two Hickory anticipating a profitable return.

In April 2002, the Company purchased 100% of the following entities from ARI: Garden Confederate Point, L.P., Garden Foxwood, L.P., Garden Woodsong, L.P. and ART One Hickory Corporation for \$10 million. The purchase price for these entities was determined based on a cap rate of 8.41% for the partnerships and 7% for ART One Hickory Corporation. The business purpose of the transaction was for the Company to make an equity investment in the entities anticipating a profitable return.

During 2002, the Board of Directors of the Company authorized the Chief Financial Officer of the Company to advance funds either to or from the Company, through BCM, in an amount up to \$15 million, on the condition that such advances shall be repaid in cash or transfer of assets within 90 days. Several property transfers from BCM or Prime were made during 2004 and 2003 to reduce the affiliate balance. Each of these transactions was approved by the Board of Directors of the Company.

In December 2003, the Company sold six properties to subsidiaries of Unified Housing Foundation, Inc. (UHF), a Texas Non-Profit 501(c)3 Corporation. The Company sold 10.72 acres of

Marine Creek land for \$1.5 million, the Limestone at Vista Ridge apartments for \$19 million, the Cliffs of El Dorado apartments for \$13.4 million, the Limestone Canyon apartments for \$18 million, the Sendero Ridge apartments for \$29.4 million, and Tivoli apartments for \$16.1 million. All of the transactions include the assumption of debt and notes receivable to the Company for the remainder of the purchase price. Ted Stokely, Chairman of the Board of the Company, is the General Manager of UHF. Richard Humphrey, who is employed by Regis I, is President of UHF. As UHF is considered a related party to the Company and as the Company has continuing involvement and may control these entities, these transactions have not been recorded as sales. Instead, these transactions are accounted for on the deposit method and the properties and corresponding debt will continue to be consolidated by the Company. All of these transactions were approved by the Board of Directors of the Company. Mr. Stokely abstained from voting on all of these transactions. The loans on Limestone Canyon apartments, Limestone at Vista Ridge apartments and Tivoli apartments were approved by their prospective lenders for transfer to the purchasing entities. The Company guaranteed the loans on both of these transfers. Also, Marine Creek land and the Cliffs of El Dorado apartments were recognized as sales during 2004. Management is currently seeking Lender approval on the transfer of the notes associated with Sendero Ridge Apartments.

In December 2003, the Company sold the Lamar/Parmer land parcel to a subsidiary of UHF for \$2 million in the form of a seller note receivable. As no cash was received and common control exists, the Company has elected to continue consolidating this tract of land until the requirements for a sale have been met. No sale has been recognized and no note receivable has been recorded.

In January 2004, the Company purchased the Vista Ridge land tract from ARI for \$2.6 million. This transaction decreased the Company's affiliate receivable with Prime by \$1 million.

In February 2004, the Company incurred a debt for \$1 million used for the purchase of land by ARI. This transaction increased the Company's affiliate receivable with Prime by \$2.6 million.

In February 2004, the Company recorded the sale of a tract of Marine Creek land originally sold to a related party in December 2003. This transaction was not recorded as a sale for accounting purposes in December 2003 and was recorded as a Company refinancing transaction in February 2004. The Company received \$1.2 million in cash from the related party in February 2004 as payment on the land. The Company has a note receivable balance of \$270,000 remaining that bears interest at 12% and matures in April 2009. The Company recorded the sale of the Marine Creek land tract due to the payment received on the note receivable.

In May 2004, the Company purchased the Treehouse Apartments from an affiliate with a net purchase price of \$7.5 million for the assumption of debt and a note receivable, less cash received of \$498,000. The note receivable was from the sale of the Cliffs of El Dorado Apartments to a related party in 2003. At that time, the sale of the Cliffs of El Dorado Apartments was not recorded as a sale for accounting purposes. The Company recorded the sale of the Cliffs of El Dorado in May 2004 due to payment received for the Cliffs of El Dorado note receivable.

In January 2004, the Company purchased the Lacy Longhorn land tract from ARI for \$4.5 million. This transaction decreased the Company's affiliate receivable with Prime by \$4.5 million.

In June 2004, TCI sold Waters Edge IV apartments to ARI for \$5 million, which increased TCI's affiliate receivable from Prime by \$5 million.

In June 2004, the Company refinanced the 1010 Common office building, Lacy Longhorn land and certain tracts of Marine Creek land. The Company paid an existing note payable for ARI for \$1.9 million, increasing the affiliate receivable balance by \$1.9 million.

In September 2004, the Company sold Limestone Canyon II land to a subsidiary of UHF for \$720,000 in the form of a seller note receivable. Due to no cash received and common control, the Company elected to continue consolidating this tract of land until the requirements for a sale have been met. No sale was recognized and no note receivable has been recorded.

In December 2003, the Company's Board of Directors approved the payment to Regis I of a six percent (6%) construction management fee on all construction projects in progress at December 31, 2003, to be applied to all costs incurred during 2003 on each project. Construction management fees of \$5.6 million for 2004 and \$4.1 million for 2003 were treated as reductions in the affiliate receivable balance from Prime.

The Company is a partner with IOT in Nakash Income Associates. The Company owns 345,728 shares of IOT's Common Stock, an approximate 24% interest. At December 31, 2005, the market value of the IOT common shares was \$6.5 million.

At December 31, 2005, the Company owned 746,972 shares of ARI common stock which were primarily purchased in open market transactions in 1990 and 1991 at a total cost of \$1.6 million. The officers of the Company also serve as officers of ARI. At December 31, 2005, the market value of the ARI common shares was \$6 million.

In 2005, the Company paid Prime, its affiliates and related parties, \$5.3 million in advisory, incentive and net income fees, \$700,000 million in mortgage brokerage and equity refinancing fees, \$3.5 million in property acquisition fees, \$1.9 million in real estate brokerage commissions. \$1.7 million in construction supervision fees and \$1.6 million in property and construction management fees and leasing commissions, net of property management fees paid to subcontractors, other than affiliates of Prime. In addition, as provided in the Advisory Agreement, in 2005 Prime received cost reimbursements of \$2.4 million.

In addition, from time to time, the Company and its affiliates have made advances to each other, which generally have not had specific repayment terms did not bear interest until July 1, 2005, and have been reflected in the Company's financial statements as other assets or other liabilities. At December 31, 2005, the Company was owed \$1.1 million by Prime and Regis Hotel I LLC. Also at December 31, 2005, the Company owed \$11.7 million and \$3 million to Prime and Regis I, respectively. Effective July 1, 2005, such advances bear interest at 1% above the prime rate per annum.

In connection with the resolution in April 2005 of certain litigation filed August 10, 2004, by the Company, ARI and IOT, the Company owns 48.8% of Midland Odessa Properties, Inc. (formerly Innovo Realty, Inc.) (MOPI), the balance of which is owned by ARI (31.3%) and IOT (19.9%). MOPI in turn is a 30% limited partner in several Metra partnerships formed in 2002 when IOT, ARI and the Company sold certain residential properties to partnerships controlled by Metra Capital LLC. The original sale transactions were accounted for as refinancing transactions with the Company continuing to report the assets and new debt incurred by the Metra partnerships on the Company's financial statements. As properties are sold to independent third parties, the transactions are reported as sales.

Sunset Proceedings

On May 16, 2005, the United States District Court for the Northern District of Texas, Dallas Division, entered its Memorandum Opinion and Order and Judgment dismissing a purported stockholders' derivative action filed October 5, 2004, filed by Sunset Management LLC (Sunset) against a number of entities, including the Company. The Court's Judgment granted a Motion to Dismiss filed by the Defendants, including the Company, and ordered that Plaintiff Sunset take nothing by its suit. No appeal was timely filed, and the dismissal of this action became final. The Sunset Complaint was purportedly filed derivatively on behalf of the Company. With the Judgment dismissing the action, the Company is not at this time a direct party to any litigation involving Sunset.

Various separate legal proceedings continue to exist which involve matters between Sunset and ARI and BCM over a pledge as collateral for certain loans of a number of shares of Common Stock of the Company. At least five items of litigation have terminated involving substantially the same issues with all relief sought by Sunset in those proceedings being denied. Three cases continue, all pending in the United States District Court for the Eastern District of Texas or the United States Bankruptcy Court for the Eastern District of Texas.

American Realty Trust, Inc., et al. v. Sunset Management LLC, et al., Adversary Proceeding No. 03-04256, was filed September 10, 2003, as an associated case to the case styled *In Re: ART Williamsburg, Inc., Debtor*, pending in the United States Bankruptcy Court for the Eastern District of Texas, Sherman Division, Case No. 4:03-43909-BTR-11. *Sunset Management LLC v. American Realty Investors, Inc., et al.* is now pending in the United States District Court for the Eastern District of Texas, Tyler Division, as Case No. 4:06-CV-00018. Both of these proceedings involve certain shares of Common Stock of the Company beneficially owned by BCM and ARI and its subsidiaries and matters emanating from certain loans in September 2001 to BCM and three subsidiaries of ARI, Sunset's agreement to extend maturity dates and accept substituted collateral, arrangements which were not honored. Adversary Proceeding No. 03-04256 was removed to the Bankruptcy Court from a Texas state court originally filed October 2002 alleging breach of contract, misrepresentation, breach of duty of good faith and fair dealing and slander of title by Sunset which also sought certain declaratory relief against Sunset, as well as temporary and permanent anti-suit injunctions against Sunset.

Case No. 4:06-CV-00018 was originally filed in the United States District Court for the Northern District of Texas, Dallas Division, and originally sought to require conveyance by ARI and/or subsidiaries of certain pledged shares back to pledgors, ARI and BCM. Such matter was first transferred to the United States Bankruptcy Court for the Eastern District of Texas as an adversary proceeding and then transferred to the United States District Court for the Eastern District of Texas, Tyler Division.

ARI, American Realty Trust, Inc. (ART), a subsidiary of ART, and BCM are also the Plaintiffs in an action filed July 19, 2006 against Sunset and John Baldwin in the case styled *American Realty Trust, Inc., et al. v. Sunset Management LLC and John Baldwin*, now pending in the United States District Court for the Eastern District of Texas, Tyler Division, as Case No. 6:06-CV-00315. In this case, the Plaintiffs seek actual and exemplary damages against Sunset and John Baldwin, individually, for alleged violations of federal and state securities laws and rules promulgated thereunder, including an alleged unlawful and concealed plan to use a late fee provision in a note to obtain title to securities by manufacturing a default and purporting to foreclose on certain securities in a scheme, artifice and device to defraud the Plaintiffs, and the filing by Sunset of a false and misleading Schedule 13D with the Securities and Exchange Commission. On August 14, 2006, Sunset filed a Motion to Dismiss the action pursuant to Rule 12b(6), and Rule 9(b) of the Federal Rules of Civil Procedure.
