Item 1. Security and Issuer

This Amendment No. 3, dated May 8, 2007 (this Third Amendment), amends the original Schedule 13D, dated January 3, 2006, as previously amended (the Schedule 13D). The Schedule 13D relates to the common shares (Common Shares) of Minera Andes Inc., a corporation organized under the laws of Alberta, Canada (Minera Andes). Minera Andes principal executive offices are located at Suite A, 111 East Magnesium Road, Spokane, Washington 99208.

This Third Amendment is filed to report that the number of Common Shares held by Robert Ross McEwen (McEwen) has increased as the result of the exercise of certain warrants as described in Items 3, 4 and 5 below. Unless amended or supplemented hereby, all information previously filed remains in effect.

Item 3. Source and Amount of Funds or Other Consideration

Item 3 is hereby amended and supplemented to add the following:

As described in Item 4 below, on May 4, 2007, McEwen exercised warrants for 2,000,000 Common Shares. The aggregate exercise price for the exercise of the warrants was, in Canadian Dollars (CAD\$), CAD\$3,600,000.00 (approximately US\$3,265,560 based on an exchange rate of US\$0.9071 : CAD\$1.0, the Bank of Canada noon exchange rate as of May 7, 2007).

No funds were borrowed by McEwen in connection with the exercise of the warrants described above.

Item 4. Purpose of the Transaction

Item 4 is hereby amended and restated as follows:

(a) The purchase of the Common Shares reported in this Schedule 13D was made for the purpose of making an investment in Minera Andes. Consistent with such purpose, McEwen has had, and expects to continue to have, discussions with management of Minera Andes concerning Minera Andes and his investment in Minera Andes. McEwen may also engage in such discussions with other shareholders of Minera Andes.

Pursuant to the First Tranche Subscription Agreement, dated December 20, 2005 (the First Tranche) and completed December 21, 2005, McEwen acquired 15,414,740 Common Shares and warrants representing 7,707,370 Common Shares (the First Tranche Warrants). Pursuant to a Second Tranche Subscription Agreement, dated December 20, 2005 (the Second Tranche) and completed March 8, 2006, McEwen acquired an additional 13,156,689 Common Shares and warrants representing 6,578,344 Common Shares (the Second Tranche Warrants).

On March 23, 2006, McEwen made an open market purchase of 1,200,000 Common Shares.

On May 5, 2006, McEwen exercised all First Tranche Warrants and Second Tranche Warrants, at an exercise price of CAD\$0.55 per share (approximately US\$0.50 per share based on an exchange rate of US\$0.9032 : CAD\$1.0, the Bank of Canada noon exchange rate as of May 5, 2006). Pursuant to

CUSIP No. 602910101

an Amending Agreement to Warrants, dated as of May 5, 2006, between Minera Andes and McEwen (the Amending Agreement), McEwen also received warrants to purchase an additional 2,000,000 Common Shares at CAD\$1.80 per share (approximately US\$1.63 per share based on an exchange rate of US\$0.9032 : CAD\$1.0, the Bank of Canada noon exchange rate as of May 5, 2006) on or prior to May 5, 2007, in consideration of his early exercise of the First Tranche Warrants and the Second Tranche Warrants. The First Tranche Warrants and the Second Tranche Warrants would have otherwise expired on the earlier of (i) December 20, 2007 for the First Tranche Warrants and March 8, 2007 for the Second Tranche Warrants and (ii) the 15th trading day after Minera Andes providing McEwen with notice of a weighted average price of the Common Shares greater than CAD\$1.00 per share for a period of 20 consecutive trading days commencing after the applicable holding period.

On May 4, 2007, McEwen acquired 2,000,000 Common Shares through the exercise all of the warrants obtained by him pursuant to the Amending Agreement at an exercise price of CDN\$1.80 per share (approximately US\$1.63 based on an exchange rate of US\$0.9071 : CAD\$1.0, the Bank of Canada noon exchange rate as of May 7, 2007). These warrants would have expired on May 5, 2007.

The First Tranche Subscription Agreement and Second Tranche Subscription Agreement provide, among other things, that, for the period commencing on the date that is 61 days after the later of (i) the date upon which the Minera Andes Shareholders Rights Plan is terminated, and (ii) the date upon which all rights issued under the Minera Andes Shareholders Rights Plan are redeemed, and ending on the date that is two years after December 21, 2005 (the closing date of the First Tranche, the Closing Date), at any time during such period McEwen will have a right of first refusal (provided McEwen owns not less than 10% of the issued and outstanding Common Shares (assuming the exercise of any warrants held by McEwen)), subject to certain exceptions, to subscribe for up to and including 100% of the value of each financing undertaken by Minera Andes, either by way of private placement or public offering of equity, debt, subscription units or convertible securities, rights offering or project financing (a Financing) on the same terms and conditions (including price and timing) as other investors in each such Financing. McEwen's right to participate in a Financing applies to each Financing and is not affected by McEwen's exercise or failure to exercise such right in respect of any particular Financing.

The First Tranche Subscription Agreement and Second Tranche Subscription Agreement also provide, that, for a period of one year from the Closing Date, Minera Andes will not (with certain exceptions set forth therein), without the prior written consent of McEwen, which consent may not be unreasonably withheld: (i) enter into any agreements with respect to any of Minera Andes properties that might have the effect of creating an interest, directly or indirectly, in such property to a third party; (ii) enter into any agreements with third parties which would grant such third parties rights that, when exercised, would have the effect of granting an interest, directly or indirectly, in any of Minera Andes properties to third parties; (iii) enter into any option, joint venture, royalty, lease, unitization, sale, deed, trust, conveyance, transfer, disposition, mining, cross mining, commingling or agreements of whatever nature with respect to any of Minera Andes properties; (iv) enter into any agreements with respect to the financing of any of Minera Andes properties that would result in any dilution or reduction of Minera Andes present interests in any of such properties; (v) enter into any agreements, relating to an amalgamation, reorganization, plan of arrangement or similar type of transaction, that might have the effect of

reducing Minera Andes' interest in any of its properties or granting a third party an interest, directly or indirectly, in any of Minera Andes' properties; and (vi) encumber any of Minera Andes' properties in any manner whatsoever. McEwen may, in the future, purchase additional Common Shares or other securities of Minera Andes depending on the price of the shares and circumstances at the time such acquisitions, if any, are made. Alternatively, McEwen may at any time determine to realize on his investment in the Common Shares through the sale of all or some of the shares. McEwen may also in the future take an active role in the management of the Company.

The descriptions of the First Tranche Subscription Agreement and the Second Tranche Subscription Agreement contained herein are qualified in their entirety by reference to such agreements, which are attached to the Schedule 13D as Exhibits 7.1 and 7.2, respectively.

(b) Not applicable.

(c) Not applicable.

(d) Pursuant to the terms of the First Tranche Subscription Agreement and the Second Tranche Subscription Agreement, for a period of five years following the closing of the First Tranche, if at any time subsequent to the closing of the First Tranche, McEwen owns not less than 10% of the issued and outstanding Common Shares (assuming the exercise of any warrants held by McEwen), then McEwen shall have the right, from time to time and at any time, to nominate one individual (the Nominee) to the board of directors of Minera Andes, and Minera Andes has agreed to use all reasonable efforts to cause its board of directors to pass such resolutions and to take such other actions as may be required in order that the Nominee become a member of the board of directors of Minera Andes. In addition, Minera Andes has agreed to use all reasonable efforts to cause its board of directors to pass such resolutions and to take such other actions as may be required in order to maintain the number of members of the board of directors of Minera Andes at not more than six.

(e) Not applicable.

(f) Not applicable.

(g) Not applicable.

(h) Not applicable.

(i) Not applicable.

(j) Other than as described above, McEwen currently has no plan or proposals that relate to, or may result in, any of the matters listed in Items 4(a)-(j) of this Schedule 13D (although McEwen reserves the right to develop such plans). McEwen disclaims membership in any group with respect to the purchase of Common Shares pursuant to the First Tranche Subscription Agreement, the Second Tranche Subscription Agreement, the open market purchase of Common Shares on March 23, 2006, the exercise of the
