**Item 5. OTHER EVENTS**

On January 6, 2003, Hillenbrand filed its Transition Report on Form 10-K for the ten months ended September 30, 2002 ( 2002 Form 10-K ) with the Securities and Exchange Commission ( SEC ). Hillenbrand has also filed Forms 8-K dated January 8, 2003 and February 7, 2003 with the SEC containing Financial News Releases on the Fourth Quarter and Fiscal 2002 Financial Results and the First Quarter 2003 Financial Results, respectively. On March 28, 2003, the SEC 's Regulation G and Item 10(e) of Regulation S-K became effective, governing the use of financial measures which are not prepared in accordance with accounting principles generally accepted in the United States of America ( GAAP ).

The Management 's Discussion and Analysis of Financial Condition and Results of Operations ( MD&A ) section of Hillenbrand 's 2002 Form 10-K and the Financial News Releases in the Forms 8-K discuss various financial measures which are calculated in accordance with GAAP. The MD&A and Financial News Releases also discuss certain non-GAAP financial measures because Hillenbrand believes these financial measures help investors in evaluating Hillenbrand 's recurring operational performance.

The non-GAAP financial measures in MD&A and the Financial News Releases exclude certain items from the financial measures derived under GAAP because Hillenbrand believes these items are not representative of its normal operations. Excluded items include a litigation charge with Kinetic Concepts, Inc., unusual charges associated with realignment and restructuring efforts, net capital losses, realized capital losses and impairments related to deterioration in the credit markets, various revenue adjustments, the write-off of a technology asset of no continuing value, a recovery in a patent litigation settlement, the release of previously provided income tax reserves no longer considered necessary and other items.

Because Hillenbrand may file one or more registration statements under the Securities Act of 1933 that incorporate by reference the 2002 Form 10-K and the Forms 8-K, Hillenbrand is filing as Exhibits 99.1 to 99.6 to this Form 8-K reconciliations of the GAAP financial measures to the non-GAAP financial measures included in the MD&A section of the 2002 Form 10-K and the Financial News Releases contained in the Forms 8-K dated January 8, 2003 and February 7, 2003 in order to comply with the requirements of Regulation G. The items presented in the reconciliations are consistent with the disclosures previously made in our filings.
