Item 4. Purpose of Transaction.

Item 4 is hereby supplemented by adding the following paragraphs at the end thereof:

On September 30, 2002, CT Trust redeemed in full EOP Partnership's \$20,086,000 liquidation amount of New Preferred Securities that were not convertible into Common Stock of the Issuer.

Pursuant to the Registration Rights Agreement between the Issuer and each Investor, EOP Partnership exercised its piggyback registration rights with respect to the 1,424,474 shares of Common Stock of the Issuer into which the Convertible Amount of the New Preferred Securities is currently convertible, and the Issuer filed a registration statement with respect to such shares with the Securities and Exchange Commission on March 7, 2003. Under the registration statement, EOP Partnership may sell any shares of Common Stock obtained by it upon conversion of the Convertible Amount of the New Preferred Securities from time to time by a variety of methods including (a) in privately negotiated transactions, (b) through broker-dealers, who may act as agents or principals, (c) in a block trade in which a broker-dealer will attempt to sell a block of shares as agent but may position and resell a portion of the block as principal to facilitate the transaction, (d) through one or more underwriters on a firm commitment or best-efforts basis, (e) directly to one or more purchasers, (f) through agents, (g) in securities exchange or quotation system sales that comply with the rules of the exchange or quotation system, (h) through the writing of options relating to such shares or (i) any combination of the above. To date, no shares have been sold by EOP Partnership pursuant to the Registration Rights Agreement.

On April 27, 2004, the Issuer agreed to provide to EOP Partnership all of the rights that Stichting Pensioenfonds ABP (ABP) has under that certain registration rights agreement, dated as of February 7, 2003, by and between the Issuer and ABP (the ABP Registration Rights Agreement), as a Holder as defined therein. As a result, the Issuer has agreed to maintain the effectiveness of, and EOP Partnership's ability to use, the registration statement filed pursuant to the ABP Registration Rights Agreement, subject to all the terms and conditions of, and EOP Partnership's compliance with all the obligations of a Holder under, the ABP Registration Rights Agreement.

In exchange for the Issuer's agreement to provide to EOP Partnership the foregoing registration rights under the ABP Registration Rights Agreement, EOP Partnership, effective April 27, 2004, permanently and irrevocably waived its rights under and released the Issuer from all obligations and liabilities existing and/or arising, directly or indirectly, out of Section 5.2(a) of the Modification Agreement, which provides that the number of seats on the board of directors of the Issuer would not be decreased without the prior written consent of EOP Partnership.

On April 27, 2004, pursuant to Sections 5.2(a) and 6.2 of the Modification Agreement, the Issuer provided written notice that, effective upon the conclusion of the Issuer's 2004 annual meeting of shareholders scheduled for June 17, 2004, the Issuer intends to reduce the number of directors comprising its board of directors from eleven to nine.

EOP Partnership acquired the New Preferred Securities, any Convertible Debentures issued with respect thereto, and any Common Stock acquired upon the conversion of Convertible Debentures and the Convertible Amount of New Preferred Securities, as an investment. EOP Partnership intends to continue to review its investment in the New Preferred Securities and, from time to time depending upon certain factors, may determine to acquire through conversion of the New Preferred Securities, open market purchases or

(a) (c), (e) and (f) Except as disclosed herein, neither EOP Partnership nor the Trust, and to the best knowledge of EOP Partnership and the Trust none of the persons listed in Appendix A hereto, has any plans or proposals of the types referred to in clauses (a) through (j), but excluding (d) as discussed below, of Item 4 of Schedule 13D.
