Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

On September 21, 2004, the board of directors of Pac-West Telecomm, Inc. (the Corporation) resolved to amend and restate the bylaws of the Corporation (the Amended and Restated Bylaws) to adopt certain advance notice procedures in connection with meetings of the shareholders that are designed to facilitate orderly consideration of shareholder proposals, to adopt certain additional procedures concerning the conduct of shareholder meetings and to delete certain provisions related to records and reports that are customarily a matter of California law rather than specified in corporate bylaws.

Specifically, a new section 2.06 was added to the Amended and Restated Bylaws, providing certain additional procedures concerning the conduct of shareholder meetings, including provisions outlining the selection and authority of the presiding officer over the shareholder meetings and provisions describing the business that may be properly brought before an annual or special meeting of the shareholders.

In addition, a new section 2.07 was added to the Amended and Restated Bylaws to adopt certain advance notice procedures in connection with meetings of the shareholders, including provisions regarding the deadline by which a shareholder must submit a proposal in order for such proposal to be properly brought before an annual meeting, provisions addressing what information a shareholder must provide concerning a nominee for election to the board of directors of the Corporation at any annual meeting of shareholders, and the procedures shareholders must follow in order to call a special meeting.

Finally, Article VII of the Bylaws of the Corporation (the Bylaws) has been deleted from the Amended and Restated Bylaws. Section 7.1 related to the maintenance and inspection of share register, Section 7.2 related to the maintenance and inspection of bylaws, Section 7.3 related to maintenance and inspection of other corporate records and Section 7.4 related to inspection by directors. This article was deleted from the Bylaws because the Corporation determined that these matters are governed by the California Corporations Code and are not customarily addressed in the bylaws of publicly-traded California corporations.

The Amended and Restated Bylaws of Pac-West Telecomm, Inc. is filed as Exhibit 3.1 to this Current Report on Form 8-K.
