Item 1.01 Entry into a Material Definitive Agreement.

On April 13, 2005, we entered into a Distribution and Supply Agreement (Agreement) with Cura Pharmaceutical Co. Inc. (Cura), whereby we granted to Cura an exclusive right to distribute, promote and sell our carboplatin generic drug product in the United States when approved by the U.S. Food and Drug Administration.

Under the terms of the Agreement, Cura agreed to use its best efforts to promote, distribute and sell carboplatin in the United States at mutually agreed upon prices, and we agreed to cause a manufacturing partner to manufacture and supply carboplatin to Cura based on forecasts provided by Cura meeting certain conditions. Cura will purchase supplies of carboplatin at our manufacturing cost as defined in the Agreement. We and Cura will share any net profit margin at rates specified in the Agreement. The Agreement also contains provisions covering quality control, record keeping, ownership of intellectual property, audits and customary indemnification. The initial term of the Agreement is two years with a feature to automatically extend the term for two additional terms of two years each. The Agreement and press release are attached to this report as Exhibits 10.1 and 99.1 respectively and are incorporated herein by reference.
