ITEM 1.01 ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT

ITEM 2.01 COMPLETION OF ACQUISITION OR DISPOSITION OF ASSETS

On July 4, 2005, PCTEL, Inc. ("PCTEL") acquired all of the outstanding share capital of Sigma Wireless Technologies Limited, an Irish company ("SWT"), pursuant to a Share Acquisition Agreement dated as of July 4, 2005 among PCTEL, SWT, the holders of the outstanding share capital of SWT, and other parties (the "Acquisition Agreement"). SWT is based in Dublin, Ireland and develops, manufactures and distributes antenna products designed for wireless communications. The selling shareholders of SWT consist of three manager/directors of SWT and an Irish corporation owned by affiliates of SWT.

The total purchase price was 22.0 million Euro (approximately \$26.8 million). 19.5 million Euro (approximately \$23.7 million) of the total was paid in cash at the close of the transaction, of which approximately 5.1 million Euro was immediately used to discharge outstanding indebtedness or retirement of preferred shares outstanding at the closing and the remaining 14.4 million Euro was paid to the selling shareholders of SWT. In addition, there was the assumption of approximately 2.5 million Euro of debt of SWT, consisting principally of unfunded pension liability.

The Acquisition Agreement also provides for an "earn-out" provision in favor of the selling shareholders of SWT, pursuant to which such shareholders may receive up to an additional 7.5 million Euro (approximately \$9.1 million) in cash based on the revenue performance of SWT over the 18-month period ending December 31, 2006. A cash payment of up to 5.75 million Euro (approximately \$7.0 million) of the 7.5 million Euro total possible earn-out will be made to such shareholders based on SWT revenue performance during the period in excess of 26 million Euro up to 35 million Euro; an additional cash payment of up to 1.75 million Euro (approximately \$2.1 million) of the 7.5 million Euro total possible earn-out will be made to such shareholders based on SWT revenue performance during the period in excess of 35 million Euro up to 38 million Euro. Revenue performance of SWT is measured quarterly, and earn-out payments, if any, are to be made within 45 days of the end of the quarterly period.

The cash consideration paid and to be paid in connection with the acquisition will be provided from PCTEL's existing cash.

Under the Acquisition Agreement, the selling shareholders of SWT are required to indemnify PCTEL against losses resulting from breaches of representations and warranties made by such shareholders in the agreement and from failure of such shareholders to comply with covenants and agreements to be performed under the agreement, and against other specified costs and expenses expected to be incurred by SWT. The indemnification obligations of the SWT selling shareholders survive for a period of 12 months from July 4, 2005, with certain identified exceptions which survive for up to six years from such date. A third-party escrow arrangement has been established under the Acquisition Agreement for the benefit of PCTEL to satisfy the indemnification obligations of the selling shareholders during the 12 month period following the closing date of the acquisition, and the sum of 1.75 million Euro of the cash purchase price paid at the closing has been deposited into the escrow.

Under the Acquisition Agreement, or in collateral agreements related to the acquisition, other principal agreements among the parties included the following:

- The principal selling shareholder of SWT, an Irish company owned by affiliates of SWT, has agreed it will not engage in any activities that are competitive with the business of

SWT for a period of 24 months from July 4, 2005, nor will it solicit the employees of SWT during that period.

- PCTEL will provide equity incentive grants in the form of stock options or restricted shares of PCTEL common stock, aggregating approximately 100,000 shares, under its 1997 Stock Option Plan to those employees of SWT continuing with the combined companies as PCTEL may determine. Approximately 100 employees of SWT will continue with the combined companies.
- The key managers of SWT, who will continue as employees of the combined companies, have entered into employment agreements with SWT that include a non-competition covenant with a term of 9 months beginning on the termination date of employment.
- PCTEL has entered into a lease agreement for the continued use of the operating facility and offices where SWT is presently located in Dublin, Ireland. PCTEL has the right to terminate the lease beginning on the second anniversary of the closing date.
- An Irish company affiliated with the selling corporate shareholder of SWT transferred and assigned to SWT all patent applications relating to technology used by SWT in its business.

A copy of the Acquisition Agreement is filed as Exhibit 2.1 hereto and is incorporated by reference into this report. The description of the Acquisition Agreement set forth above is a summary of the material terms of that agreement.

A copy of the press release of PCTEL dated July 5, 2005 announcing the acquisition is attached hereto as Exhibit 99.1.
