**Item 2.01. Acquisition of Assets**

On November 21, 2005, Government Properties Trust, Inc. (GPT) completed its previously announced acquisition of the U.S. Army Corps of Engineers building at 4155 Clay Street, Vicksburg, Mississippi (the Vicksburg property) for approximately \$26.5 million. The purchase price was determined through arms-length negotiations between GPT and Gladwyne Investors Business Trust, an unrelated party with an address at 770 Township Line Road, Suite 150, Yardley, Pennsylvania. GPT funded the purchase price with cash on hand, a draw on the line of credit and a mortgage loan from a financial institution in the amount of \$14.4 million. The unpaid principal balance of the note bears interest at a rate of 5.62% per annum. Accrued interest only payments are due monthly beginning in February 2006. The principal is due in August 2016.

The Vicksburg property, completed in 1996, totals approximately 200,000 rentable square feet situated on approximately 17.17 acres. The Vicksburg property is 100% leased by the federal government under a modified gross lease and is occupied by the U.S. Army Corps of Engineers. The current lease with the federal government expires in July 2016.

Report of Independent Registered Public Accounting Firm

The Board of Trustees of  
Government Properties Trust, Inc.

We have audited the accompanying Statement of Revenue and Certain Expenses of US Army Corps of Engineers Vicksburg, MS (the Property) for the year ended December 31, 2004. The Statement of Revenue and Certain Expenses is the responsibility of the Property's management. Our responsibility is to express an opinion on the Statement of Revenue and Certain Expenses based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the Statement of Revenue and Certain Expenses is free of material misstatement. We were not engaged to perform an audit of the Property's internal control over financial reporting. Our audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Property's internal control over financial reporting. Accordingly we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the Statement of Revenue and Certain Expenses, assessing the accounting principles used and significant estimates made by management, and evaluating the overall presentation of the Statement of Revenue and Certain Expenses. We believe that our audit provides a reasonable basis for our opinion.

The accompanying Statement of Revenue and Certain Expenses was prepared for the purpose of complying with the rules and regulations of the Securities and Exchange Commission, for inclusion in Government Properties Trust, Inc.'s Current Report on Form 8-K as described in Note 2, and is not intended to be a complete presentation of the Property's revenue and expenses.

In our opinion, the Statement of Revenue and Certain Expenses referred to above presents fairly, in all material respects, the revenue and certain expenses described in Note 2 for the year ended December 31, 2004 in conformity with U.S. generally accepted accounting principles.

US Army Corps of Engineers Vicksburg, Mississippi  
Notes to Statements of Revenue and Certain Expenses

**1. Description of the Property**

The US Army Corps of Engineers Vicksburg, Mississippi (the Property), located at 4155 Clay Street, Vicksburg, Mississippi, is an office building that is 100% leased to the US Army Corps of Engineers pursuant to a modified gross lease expiring in 2016.

**2. Summary of Significant Accounting Policies**

The accompanying statement of revenue and certain expenses for the year ended December 31, 2004 was prepared for purposes of complying with the rules and regulations of the Securities and Exchange Commission. The accompanying financial statement is not representative of the actual operations of the Property for the periods presented nor indicative of future operations as certain expenses, primarily depreciation, amortization and interest expense, which may not be comparable to the expenses expected to be incurred in future operations of Property, have been excluded. In the preparation of the statements of revenue and certain expenses in conformity with U.S. generally accepted accounting principles, management makes estimates and assumptions that affect the reported amounts of revenue and expenses during the reporting period. Actual results could differ from these estimates.

Rental income is recognized on the straight-line basis over the life of the related lease. The related straight-line rental adjustment increased rental income by approximately \$20,000 for the six months ended June 30, 2005 (unaudited), and approximately \$35,000 for the year ended December 31, 2004. The current supplemental lease agreement in place as of January 1, 2004 requires base monthly rental payments totaling \$264,435, through July 31, 2006, and \$268,959 from August 1, 2006, through termination, subject to annual rent increases based on the Consumer Price Index (CPI). The base monthly rent in place as of December 31, 2004 and June 30, 2005 after giving effect of CPI increases, (unaudited) was \$273,458. The lease also contains provisions to recover real estate taxes and certain operating expenses at an amount in excess of the tenant's base year amounts, as defined. Such revenue is included in tenant reimbursements in the statements of revenue and certain expenses.

Facility management fees are payable to a third-party manager and are based on usable square footage. The facility management fee in effect for the year ended December 31, 2004, was approximately \$.40 per net usable square foot.

**3. Interim Period (unaudited)**

The unaudited statement of revenue and certain expenses for the six months ended June 30, 2005, has been prepared for purposes of complying with the rules and regulations of the Securities and Exchange Commission. In the opinion of management, all adjustments considered necessary for a fair presentation have been included. Operating results for the six months ended June 30, 2005 are not necessarily indicative of the results that may be expected for the year ending December 31, 2005.
