**Notice of Annual Meeting of Stockholders**

**Friday, May 4, 2007  
3:00 P.M.  
The Northern Trust Company  
50 South LaSalle Street  
Chicago, Illinois**

ITW is holding its 2007 Annual Meeting for the following purposes:

1. To elect ten directors for the upcoming year; and
2. To ratify the appointment of Deloitte & Touche LLP as ITW's independent public accountants.

The Board of Directors recommends that you vote FOR each of the director nominees and FOR the ratification of the appointment of Deloitte & Touche LLP as ITW's independent public accountants for 2007.

Stockholders of record on March 6, 2007 are entitled to vote.

It is important that your shares are represented at the Annual Meeting whether or not you plan to attend. To be certain that your shares are represented, please sign, date and return the enclosed proxy card as soon as possible or vote by telephone or the internet by following the instructions on the proxy card. You may revoke your proxy at any time before it is voted at the Annual Meeting.

Our Annual Report for 2006 is enclosed.  
By Order of the Board of Directors,

James H. Wooten, Jr.  
*Secretary*

**Questions and Answers**

Following are questions often asked by stockholders of publicly held companies. We hope that the answers will assist you in casting your vote.

**What am I voting on?**

We are soliciting your vote on:

1. The election of ten directors for the upcoming year; and
2. The ratification of the appointment of Deloitte & Touche LLP as our independent public accountants for 2007.

**Who may vote?**

Stockholders at the close of business on March 6, 2007, the record date, may vote. On that date, there were 559,624,025 shares of ITW common stock outstanding.

**How many votes do I have?**

Each share of ITW common stock that you own entitles you to one vote.

**How do I vote?**

You may vote your shares in one of the following four ways:

1. By mail: Complete the proxy card and sign, date and return it in the enclosed envelope;
2. By telephone: Call the toll-free number on the proxy card, enter the holder account number and the proxy access number from the proxy card, and follow the recorded instructions;
3. By internet: Go to the website listed on the proxy card, enter the holder account number and the proxy access number from the proxy card, and follow the instructions provided; or
4. In person: Attend the Annual Meeting, where ballots will be provided.

If you hold your shares through a bank or broker that does not offer telephone or internet voting, please complete and return your proxy card by mail.

**How does discretionary voting authority apply?**

If you sign, date and return your proxy card, your vote will be cast as you direct. If you do not indicate how you want to vote, you give authority to Marvin D. Brailsford, Susan Crown and Harold B. Smith to vote on the items discussed in these proxy materials and on any other matter that is properly raised at the Annual Meeting. If you do not indicate how you want to vote, your proxy will be voted FOR the election of each director nominee, FOR the ratification of the appointment of Deloitte & Touche LLP as our independent public accountants and FOR or AGAINST any other properly raised matter at the discretion of Ms. Crown and Messrs. Brailsford and Smith.

## **Table of Contents**

### **May I revoke my proxy?**

You may revoke your proxy at any time before it is voted at the Annual Meeting in one of four ways:

1. Notify our Secretary in writing before the Annual Meeting that you wish to revoke your proxy;
2. Submit another proxy with a later date;
3. Vote by telephone or internet after you have given your proxy; or
4. Vote in person at the Annual Meeting.

### **What does it mean if I receive more than one proxy card?**

Your shares are likely registered differently or are in more than one account. You should sign and return all proxy cards to guarantee that all of your shares are voted.

### **What constitutes a quorum?**

The presence, in person or by proxy, of the holders of a majority of ITW shares entitled to vote at the Annual Meeting constitutes a quorum. Your shares will be considered part of the quorum if you return a signed and dated proxy card or if you vote by telephone or internet. Abstentions and broker non-votes are counted as shares present at the meeting for purposes of determining if a quorum exists. A broker non-vote occurs when your bank, broker or other holder of record holding shares for you as the beneficial owner submits a proxy that does not indicate a vote as to a proposal because that holder does not have voting authority for that proposal and has not received voting instructions from you. If you are a beneficial owner, your bank, broker or other holder of record is permitted to vote your shares on the election of directors and the ratification of the appointment of our independent public accountants, even if they do not receive voting instructions from you. Therefore, no broker non-votes will occur as to these proposals.

### **What vote is required to approve each proposal?**

***Election of Directors:*** The ten nominees who receive the highest number of votes will be elected. However, any nominee who receives a greater number of votes withheld from his or her election than votes for his or her election will tender his or her resignation in accordance with our Corporate Governance Guidelines as discussed more fully on page 10. If you do not want to vote your shares for a particular nominee, you may indicate that in the space provided on the proxy card or withhold authority as prompted during telephone or internet voting.

***Ratification of the Appointment of Independent Public Accountants:*** Although we are not required to submit the appointment of our independent public accountants to a vote of stockholders, we believe that it is appropriate to ask that you ratify the appointment. Ratification of the appointment of Deloitte & Touche LLP as ITW's independent public accountants requires the affirmative vote of a majority of the shares present or represented by proxy at the Annual Meeting and entitled to vote. An abstention will have the effect of a vote against the ratification since it is one fewer vote for approval.

**Table of Contents**

**How do I submit a stockholder proposal?**

To be considered for inclusion in our proxy statement for the May 2008 Annual Meeting, a stockholder proposal must be received no later than November 24, 2007. Your proposal must be in writing and must comply with the proxy rules of the Securities and Exchange Commission ( SEC ). You also may submit a proposal that you do not want included in the proxy statement, but that you want to raise at the May 2008 Annual Meeting. If you submit that proposal after February 7, 2008, then SEC rules permit the individuals named in the proxies solicited by our Board of Directors for that meeting to exercise discretionary voting power as to that proposal. You should send your proposal to our Secretary at our address on the cover of this proxy statement.

**How do I nominate a director?**

If you wish to nominate an individual for election as a director at the May 2008 Annual Meeting, our Secretary must receive your written nomination by December 31, 2007. Our by-laws require that your nomination include: (1) your name and address; (2) the name, age and home and business addresses of the nominee; (3) the principal occupation or employment of the nominee; (4) the number of shares of ITW stock that the nominee beneficially owns; (5) a statement that the nominee is willing to be nominated and serve as a director; and (6) any other information regarding the nominee that would be required by the SEC to be included in a proxy statement had our Board of Directors nominated that individual. Any nomination that you make must be approved by our Corporate Governance and Nominating Committee, as well as by our Board of Directors.

**Who pays to prepare, mail and solicit the proxies?**

We will pay all of the costs of preparing and mailing this proxy statement and soliciting these proxies. We will ask brokers, dealers, banks, voting trustees and other nominees and fiduciaries to forward the proxy materials and our Annual Report to the beneficial owners of ITW common stock. Upon request, we will reimburse them for their reasonable expenses. In addition to mailing proxy materials, our officers, directors and employees may solicit proxies in person, by telephone or otherwise.

**Table of Contents**

**Election of Directors**

Stockholders are being asked to elect ten directors at the Annual Meeting. The individuals listed below have been nominated by the Board of Directors as recommended by the Corporate Governance and Nominating Committee. Each director will serve until the May 2008 Annual Meeting, until a qualified successor director has been elected, or until he or she resigns or is removed.

We will vote your shares as you specify on the enclosed proxy card, by telephone or by internet. If you do not specify how you want your shares voted, we will vote them FOR the election of all the nominees listed below. If unforeseen circumstances (such as death or disability) make it necessary for the Board of Directors to substitute another person for any of the nominees, we will vote your shares FOR that other person. The Board of Directors does not anticipate that any nominee will be unable to serve. The nominees have provided the following information about themselves:

Mr. Speer has 28 years of service with ITW. He is a director of Rockwell Automation, Inc. and has served as a director of ITW since 2005.

**Table of Contents****Board of Directors and Its Committees**

ITW's Board of Directors met five times during 2006. In addition to meetings of the full Board, directors attended meetings of Board committees. Non-management directors, all of whom are independent, met three times in regularly scheduled executive sessions. The Chairmen of each of the Board of Directors' standing committees rotate as the Chairman of executive sessions of the independent directors. The Board of Directors has standing audit, compensation, corporate governance and nominating, and finance committees. Under the terms of their charters, each member of the audit, compensation and corporate governance and nominating committees must meet applicable New York Stock Exchange ( NYSE ) and SEC independence requirements. ITW encourages its directors to attend all Board and committee meetings and the Annual Meeting of Stockholders. In 2006, all of the directors attended at least 89% of the meetings of the Board and the committees on which they serve, and all of the directors attended the Annual Meeting of Stockholders.

**Audit Committee**

Meetings in 2006:	4
Members:	Michael J. Birck (Chairman) Marvin D. Brailsford Don H. Davis, Jr. Robert C. McCormack James A. Skinner

The Audit Committee is responsible for the engagement of our independent public accountants and assists the Board with respect to matters involving and overseeing: accounting, financial reporting and internal audit functions. The Committee also is responsible for the integrity of ITW's financial statements; compliance with legal and regulatory requirements; the independence and performance of ITW's independent public accountants; and the performance of ITW's internal audit function. Additional information on the Committee and its activities is set forth in the Audit Committee Report on page 35.

**Compensation Committee**

Meetings in 2006:	4
Members:	William F. Aldinger (Chairman) Susan Crown Robert S. Morrison James A. Skinner

The Compensation Committee establishes and oversees executive and director compensation policies; recommends to the other independent directors compensation for the Chief Executive Officer; reviews and approves the Chief Executive Officer's recommendations regarding the compensation of our other executive officers; and makes recommendations on new incentive compensation and equity-based plans or amendments. Additional information on the Committee and its activities is set forth in the Compensation Discussion and Analysis on page 16.

**Corporate Governance Policies and Practices**

**General**

We have long believed that good corporate governance is important to assure that ITW is managed for the long-term benefit of its stockholders. In that regard, we continuously review our corporate governance policies and practices not only for compliance with the provisions of the Sarbanes-Oxley Act of 2002, the rules and regulations of the SEC, and the listing standards of the NYSE but also for good corporate governance principles.

Our Board of Directors has adopted and annually reviews charters for our Audit, Compensation, and Corporate Governance and Nominating Committees. We maintain a corporate governance section on our website that includes the charters of these committees, ITW's Corporate Governance Guidelines, ITW's Statement of Principles of Conduct (our code of business conduct and ethics for directors, officers and employees) and ITW's Code of Ethics for the Chief Executive Officer and key financial and accounting personnel. In addition, we will promptly post any amendments to or waivers of the Code of Ethics on our website. You can find this and other corporate governance information at [www.itw.com](http://www.itw.com). We will also provide copies of this information upon request.

**Communications with Directors**

Stockholders and other interested parties may communicate with any of our directors or with the independent directors as a group by sending an e-mail to [independentdirectors@itw.com](mailto:independentdirectors@itw.com) or by writing to the Independent Directors c/o the Corporate Secretary at our address on the cover of this proxy statement.

**Board Independence**

Our Board conducts an annual review as to whether each of our directors meets the applicable independence standards of the NYSE. In accordance with the NYSE listing standards, our Board of Directors has adopted categorical standards for director independence. A copy of ITW's Categorical Standards for Director Independence is attached as Appendix A. A director will not be considered independent unless the Board of Directors determines that the director has no material relationship with ITW (directly or as a partner, stockholder or officer of an organization that has a relationship with ITW).

The Board has determined that each of the current directors standing for re-election, except David B. Speer, has no material relationship with ITW other than as a director and is independent within the meaning of ITW's Categorical Standards for Director Independence and the listing standards of the NYSE. In making its independence determinations, the Board of Directors has broadly considered all relevant facts and circumstances. In particular, the Board considered that Ms. Crown and Messrs. McCormack and Smith serve as directors of Northern Trust Corporation and its subsidiary, The Northern Trust Company, with which ITW has a commercial banking relationship as described under "Ownership of ITW Stock - Other Principal Stockholders" on page 15. The Board has concluded that these relationships do not impair the independence of Ms. Crown or Messrs. McCormack and Smith.

**Table of Contents**

**Director Candidates**

Our by-laws permit stockholders to nominate directors for consideration at an annual stockholder meeting. The policy of the Corporate Governance and Nominating Committee is to consider a properly submitted stockholder nomination for election as director. For a description of the process for submitting a director candidate in accordance with ITW's by-laws, see [Questions and Answers - How do I nominate a director?](#) on page 3.

Our directors play a critical role in guiding ITW's strategic direction and oversee the management of ITW. Board candidates are considered based upon various criteria, such as their broad-based business and professional skills and experiences, a global business and social perspective, concern for the long-term interests of our stockholders, and personal integrity and judgment. In addition, directors must have time available to devote to Board activities and to enhance their knowledge of the global manufacturing environment. Accordingly, we seek to attract and retain highly qualified directors who have sufficient time to attend to their duties and responsibilities to ITW.

The Corporate Governance and Nominating Committee or other members of the Board of Directors may identify a need to add new members to the Board of Directors with specific criteria or simply to fill a vacancy on the Board. At that time the Corporate Governance and Nominating Committee would initiate a search, seeking input from Board members and senior management and, to the extent it deems appropriate, engaging a search firm. An initial qualified candidate or a slate of qualified candidates would be identified and presented to the Committee for its evaluation and approval. The Committee would then seek full Board endorsement of the selected candidate(s).

Assuming that a properly submitted stockholder recommendation for a director candidate has been received, the Corporate Governance and Nominating Committee will evaluate that candidate by following substantially the same process, and applying substantially the same criteria, as for candidates submitted by other sources, but the Committee has no obligation to recommend that candidate for nomination.

**Director Election**

Our Corporate Governance Guidelines include a director election provision that requires any nominee for director who receives a greater number of votes withheld from his or her election than votes for his or her election to tender his or her resignation. The Corporate Governance and Nominating Committee of the Board will consider the resignation and recommend to the Board whether to accept or reject it. In considering the resignation, the Committee will take into account such factors as any stated reasons why stockholders withheld votes for the election of the director, the length of service and qualifications of the director, the director's contributions to ITW and our Corporate Governance Guidelines. The Board will consider the Committee's recommendation, but no director who failed to receive more for votes than votes withheld will participate. We will disclose the results in a Form 8-K within 90 days of the Annual Meeting. At the 2006 Annual Meeting, each director received more for votes than withheld votes.

**Table of Contents**

**Director Compensation**

**Annual Retainer and Attendance Fees**

In 2006, the annual retainer for non-employee directors was \$40,000, the fee for each Board or committee meeting attended was \$2,000, and the annual fee for committee chairs was an additional \$3,000, except for the Audit Committee chair, whose annual fee was \$10,000. Non-employee directors are given the opportunity to elect annually to receive all or a portion of their annual retainer, chairman and meeting fees in an equivalent value of ITW common stock pursuant to the our Stock Incentive Plan. The number of ITW shares to be issued to a director is determined by dividing the dollar amount of the fee subject to the election by the fair market value of ITW common stock on the date the fee otherwise would have been paid in cash.

Effective January 1, 2007, our director compensation was revised as follows: the annual retainer fee was increased to \$135,000; Board and committee meeting fees were eliminated; the Audit Committee chair fee was increased to \$15,000 and all other committee chair fees were increased to \$5,000.

**Directors Deferred Fee Plan**

Non-employee directors can defer receipt of all or a portion of their annual retainer, chair and meeting fees until retirement or resignation. Deferred fee amounts are credited with interest at current rates. A director can also elect to defer receipt of the ITW common stock received in lieu of a cash payment, in which case the deferred shares are credited as stock units to an account in the director's name. The account receives additional credit for cash dividends and is adjusted for stock dividends, splits, combinations or other changes in ITW common stock. The stock units in a director's account are distributed as shares of ITW common stock upon retirement, resignation or a corporate change (as defined in the Stock Incentive Plan), with any fractional shares paid in cash.

**ITW Common Stock**

In 1995, the stockholders approved a plan whereby a portion of each non-employee director's compensation may include the periodic grant of restricted ITW common stock, thereby directly linking another element of director compensation with ITW's long-term performance. ITW last granted restricted shares under the plan in February 2004. At that time, each non-employee director of ITW other than Mr. Skinner, who became a director subsequent to the grant date, received an award of 900 restricted shares (prior to adjustment for our two-for-one stock split in May 2006), which vested as to 450 shares on each of January 3, 2005 and January 3, 2006. Currently, there are no restricted shares granted under the plan that have not vested. ITW intends to continue to grant stock to each non-employee director under the Stock Incentive Plan. Effective January 1, 2007, non-employee directors will receive an annual stock grant equivalent in value to \$30,000. On that basis, on February 9, 2007, each non-employee director was granted 581 shares of stock, except Mr. Skinner, who did not receive a prior grant, received 1,353 shares of stock equivalent in value to \$69,796.

**Table of Contents****Phantom ITW Stock**

To tie a further portion of their compensation to our long-term performance, non-employee directors of ITW are awarded 1,000 units of phantom stock upon first becoming a director. The value of each unit equals the market value of one share of ITW common stock. Additional units are credited to a director's phantom stock account in an amount equivalent to cash dividends paid on ITW stock. Accounts are adjusted for stock dividends, stock splits, combinations or similar changes. A director is eligible for a cash distribution from his or her account at retirement or upon approved resignation. When phantom stock is awarded, directors elect to receive the distribution in either a lump sum or in up to ten annual installments. Directors receive the value of their phantom stock accounts immediately upon a change of control.

**Ownership of ITW Stock**

**Directors and Executive Officers**

The following table shows how much ITW common stock the directors, the named executive officers, and all directors and executive officers as a group beneficially owned as of December 31, 2006. The named executive officers are our Chief Executive Officer, our Chief Financial Officer, the next three most highly compensated executive officers who were serving at the end of the last fiscal year (based on total compensation, less the increase in pension value and nonqualified deferred compensation earnings), and our former Chairman. The percent of class calculation is based on 558,749,558 shares of ITW common stock outstanding as of December 31, 2006.

Beneficial ownership is a technical term broadly defined by the SEC to mean more than ownership in the usual sense. In general, beneficial ownership includes any shares a director or executive officer can vote or transfer and stock options that are exercisable currently or that become exercisable within 60 days. Except as otherwise noted, the stockholders named in this table have sole voting and investment power for all shares shown as beneficially owned by them.

The number of the directors' phantom stock units disclosed in the table represents an equivalent number of shares of ITW common stock as of December 31, 2006. Phantom stock units are not transferable and have no voting rights. The units are not included in the percent of class calculation.
