State below in reasonable detail why Forms 10-K, 20-F, 11-K, 10-Q, N-SAR, N-CSR, or the transition report or portion thereof, could not be filed within the prescribed time period.

The GEO Group, Inc. (the Company) is currently in the process of finalizing its review of certain accounting matters relevant to the completion of its audit and its assessment related to its internal controls over financial reporting as of January 2, 2005, as required by Section 404 of the Sarbanes-Oxley Act (the Sarbanes-Oxley Act), and requires additional time to complete such review and assessment. The Company has dedicated significant resources to the completion of its audit and its assessment of the effectiveness of the Company's internal control over financial reporting. Although substantial progress has been made, there have been delays in completing the audit and the assessment, primarily attributable to the complex nature of the new requirements under Section 404 of the Sarbanes-Oxley Act.

As a result of these delays and in order to ensure the accuracy and completeness of the Company's 2004 Form 10-K (the Form 10-K), the Company is unable to complete and file its Form 10-K by the prescribed filing date without unreasonable effort and expense. The Company continues to dedicate significant resources to the audit of the financial statements, internal control testing and reports, and the Form 10-K, and currently anticipates filing the Form 10-K on or before the extended deadline of April 4, 2005.
