In addition, the Reporting Person may from time to time, depending on prevailing market, economic and other conditions, acquire additional shares of the Common Stock of the Issuer or engage in discussions with the Issuer concerning further acquisitions of shares of the Common Stock of the Issuer or further investments in the Issuer. The Reporting Person intends to review his investment in the Issuer on a continuing basis and, depending upon the price and availability of shares of the Common Stock, subsequent developments affecting the Issuer, the Issuer's business and prospects, other investment and business opportunities available to the Reporting Person, general stock market and economic conditions, tax considerations and other factors considered relevant, may decide at any time to increase or to decrease the size of his investment in the Issuer.

registration pursuant to Section 12(g)(4) of the Securities Exchange Act of 1934 Common Stock, or (j) or any action similar to the foregoing actions listed. The Reporting Person will continue to evaluate the Issuer and his investment therein and may later determine to propose or support any one or more of such actions in the future, to purchase additional shares of the Common Stock or to sell part or all of his holdings of the Common Stock of the Issuer.

Item 5. Interest in Securities of the Issuer
