CB BANCSHARES, INC. REPORTS RECORD EARNINGS FOR 2003,
A 53.9% INCREASE

HONOLULU, HAWAII, January 21, 2004 CB Bancshares, Inc. (NASDAQ: CBBI), parent company of City Bank, reported consolidated net income of \$20.7 million, or \$4.72 per diluted share, for the year ended December 31, 2003, a 53.9% increase over consolidated net income of \$13.5 million, or \$3.11 per diluted share, in 2002.

Consolidated net income for the quarter ended December 31, 2003 totaled \$6.9 million, or \$1.56 per diluted share, a 90.7% increase over consolidated net income of \$3.6 million, or \$0.83 per diluted share, over the same quarter in 2002.

Consolidated net income for the quarter and year ended December 31, 2003 includes \$470,000 (\$320,000, or \$0.08 per share, after tax) and \$6.6 million (\$4.4 million, or \$1.01 per share, after tax), respectively, in expenses associated with the defense of the unsolicited hostile takeover proposal by Central Pacific Financial Corp. announced on April 16, 2003.

Ronald K. Migita, President and Chief Executive Officer of CB Bancshares, Inc. said, "We are pleased to report our record financial results for the year ended December 31, 2003. This year, beginning with the second quarter, City Bank has delivered three consecutive quarters of outstanding financial performance fueled by continued strength in the Bank's core businesses. Loan volume in our California operations and our Hawaii mortgage banking business continue to exceed expectations. Going forward we will continue to execute on our business plan and focus on asset quality. We believe City Bank is well positioned in its markets to deliver sustainable growth and to continue to enhance value for the shareholders of CB Bancshares."

At December 31, 2003, as compared to December 31, 2002, the Company had \$1.9 billion in assets, up 13.7%; \$1.3 billion in loans, net, up 21.1%; and \$1.2 billion in deposits, up 3.7%.

Net interest income was \$21.7 million and \$80.0 million for the fourth quarter and year ended December 31, 2003, respectively, an increase of \$2.7 million, or 14.3%, and \$2.9 million, or 3.8%, respectively, over the same periods in 2002. The increase in net interest income for the year ended December 31, 2003 was due to a \$157.6 million increase in the average balance of interest-earning assets, partially offset by a \$116.7

Table of Contents

million increase in the average balance of interest-bearing liabilities and a 32 basis points decline in the net interest margin (to 4.86%).

Noninterest income was \$6.3 million and \$23.3 million for the fourth quarter and year ended December 31, 2003, respectively, an increase of \$2.8 million, or 79.3%, and \$10.5 million, or 81.7%, respectively, over the same periods in 2002. The increase for the year ended December 31, 2003 was due to: 1) \$1.7 million in net gains on the sale of securities (as compared to a \$1.8 million net loss on the sale of securities during the same period in 2002); 2) a \$1.5 million increase in revenues from item processing fee income; and 3) a \$2.5 million increase in other non-interest income. The increase in other non-interest income was primarily due to \$975,000 recorded in connection with an insurance company demutualization distribution in the second quarter of 2003 and \$756,000 recorded in connection with a deferred gain on sale of a building (gain recognition criteria was met in the fourth quarter of 2003).

Noninterest expense totaled \$16.6 million and \$64.9 million for the fourth quarter and year ended December 31, 2003, respectively, an increase of \$3.5 million, or 26.4%, and \$12.3 million, or 23.4%, respectively, over the same periods in 2002. The increase for the year ended December 31, 2003 was primarily due to a \$5.2 million increase in salaries and employee benefits (higher incentive-based compensation and increase in personnel for mainland loan offices and an item processing center) and \$6.6 million of expenses related to the unsolicited hostile takeover proposal.

The efficiency ratio (excluding the unsolicited hostile takeover proposal expenses, impairment write-down and amortization of intangibles) improved from 57.37% for the year ended December 31, 2002 to 56.41% for the year ended December 31, 2003. Inclusive of these items, the efficiency ratio was 58.81% and 63.11% for the year ended December 31, 2002 and 2003, respectively.

Nonperforming loans and assets were \$5.7 million and \$5.9 million, respectively, at December 31, 2003, which represent decreases of \$7.0 million, or 55.0%, and \$9.0 million, or 60.5%, respectively, as compared to December 31, 2002. The decrease in nonperforming assets in 2003 was primarily due to: 1) a decrease of \$1.9 million in nonperforming commercial loans; 2) a decrease of \$4.9 million in nonperforming real estate loans; and 3) a decrease of \$2.0 million in other real estate owned.

The provision for credit losses was \$1.2 million and \$7.2 million for the quarter and year ended December 31, 2003, respectively, a decrease of \$3.0 million, or 72.3%, and \$9.9 million, or 58.0%, respectively, compared to the same periods in 2002. The Company's lower provision this year reflects the significant improvement in asset quality and the stronger Hawaii economy. The allowance for credit losses to total nonperforming loans increased from 213.06% at December 31, 2002 to 497.38% at December 31, 2003.

The significant improvement in the coverage of the allowance to nonperforming loans reflects, in part, the continued emphasis on reducing nonperforming loans and the strength and expertise of our risk management group, said Migita.

Table of Contents

At December 31, 2003, total stockholders' equity was \$169.2 million, an increase of \$18.2 million, or 12.1%, from December 31, 2002. During the fourth quarter of 2003, City Bank, our principal bank subsidiary, announced its new Certificate of Deposits Account Registry Service, which provides a secure savings and investment option for consumers, small businesses and corporations with large deposit balances. Under this service, City Bank has a new tool to provide customers with access to greater FDIC insurance coverage.
