Item 1.01 Entry into a Material Definitive Agreement.

On July 19, 2006, Linn Energy, LLC (Linn Energy) entered into a definitive purchase and sale agreement with Blacksand Energy, LLC (Blacksand Energy) to acquire all the equity interests of certain affiliated entities of Blacksand (the Blacksand Acquisition). At the closing of the transaction, Linn Energy will pay Blacksand \$291 million, subject to closing adjustments, and will acquire the Blacksand assets located in the Brea Olinda Field in Orange County, California. The closing of the Blacksand Acquisition is subject to Linn Energy s completion of its due diligence and other customary closing conditions. The foregoing description of the Blacksand Acquisition is not complete and is qualified in its entirety by reference to the full text of the purchase and sale agreement, a copy of which is filed as Exhibit 2.1 to this Current Report on Form 8-K and is incorporated herein by reference.

On July 21, 2006, Linn Energy Mid-Continent Holdings, LLC (Linn Energy Mid-Continent), a wholly owned subsidiary of Linn Energy, entered into a definitive purchase agreement with Kaiser-Francis Oil Company (Kaiser-Francis) to acquire certain Mid-Continent assets located in North Central Oklahoma (the Kaiser Acquisition). At the closing of the transaction, Linn Energy Mid-Continent will pay Kaiser-Francis \$125 million, subject to closing adjustments. The closing of the Kaiser Acquisition is subject to Linn Energy s completion of its due diligence and other customary closing conditions. The foregoing description of the Kaiser Acquisition is not complete and is qualified in its entirety by reference to the full text of the purchase and sale agreement, a copy of which is filed as Exhibit 2.2 to this Current Report on Form 8-K and is incorporated herein by reference.

Linn Energy anticipates that both acquisitions, which remain subject to customary closing conditions and purchase price adjustments, will close on or before August 15, 2006. Neither acquisition is conditioned upon the closing of the other transaction. Linn Energy intends to finance the acquisitions with a combination of borrowings under its secured revolving credit facility and a \$250 million, 365-day bridge facility. In connection with these acquisitions, Linn Energy s lenders under its credit facility have agreed in principle, subject to customary approvals, to an increase in the facility size from \$400 million to \$800 million and an increase in the borrowing base from \$265 million to \$480 million.

A copy of the press release announcing these two acquisitions is attached as Exhibit 99.1 to this Current Report on Form 8-K and is incorporated herein by reference.
