To Be Held on Tuesday, April 25, 2006

PROXY STATEMENT

General Information

This Proxy Statement has been prepared and is being distributed in connection with the solicitation by the Board of Directors of Republic First Bancorp, Inc. (the "Company") of proxies in the enclosed form for use at the 2006 Annual Meeting of Shareholders of the Company to be held on Tuesday, April 25, 2006, at 4:00 p.m., Philadelphia time, at the Union League of Philadelphia, Broad & Sansom Streets, Philadelphia, PA 19102 (such meeting and any adjournment(s) or postponement(s) thereof are herein referred to as the "Annual Meeting"). This Proxy Statement is first being given or sent to shareholders of the Company on or about March 24, 2006.

Voting and Revocability of Proxies

Unless contrary instructions are indicated, all shares represented by valid proxies received pursuant to this solicitation (and not revoked before they are voted) will be voted FOR the election of the nominees for Directors named herein. As of the date of this Proxy Statement, the Board of Directors of the Company (the "Board") knows of no business that will be presented for consideration at the Annual Meeting other than that referred to above. If any other business properly comes before the Annual Meeting, the persons designated in the enclosed proxy will vote on such business in accordance with their best judgment.

Any shareholder who executes and returns a proxy card may revoke it at any time before it is voted by delivering to Denise Tinney, Corporate Secretary of the Company, at the principal executive offices of the Company at 1608 Walnut Street, Philadelphia, PA 19103, a written instrument revoking the proxy, a duly executed proxy bearing a later date, or by attending the Annual Meeting and voting in person.

Solicitation of Proxies

Your proxy is being solicited by the Board for use in connection with the Annual Meeting. The cost of such solicitation will be borne by the Company. Proxies may be solicited in person or by mail, telephone, telegram, mailgram or other means by Directors, officers, and employees of the Company. Such persons will not receive any fees for such solicitation. Brokers, nominees, fiduciaries and other custodians have been requested to forward such soliciting material to the beneficial owners of shares held of record by them, and such custodians may be reimbursed for their expenses.

Voting Securities, Quorum and Required Vote

As of the close of business on March 14, 2006, the record date for voting at the Annual Meeting (“the Record Date”), there were 8,756,462 outstanding shares of common stock, par value \$0.01 per share, of the Company. Holders of the Company’s common stock are entitled to one vote per share on all matters to be voted upon at the Annual Meeting. As of the date hereof, there are no other classes of the Company’s capital stock issued or outstanding.

The presence in person or by proxy of a majority of the shares of common stock outstanding on the Record Date will constitute a quorum for the purpose of conducting business at the Annual Meeting. For the purpose of determining the votes cast with respect to any matter presented for consideration at the meeting, only those votes cast “FOR” or “AGAINST” are included. Abstentions and broker non-votes (shares held by brokers on behalf of their customers which may not be voted on certain matters because the brokers have not received specific voting instructions from their customers with respect to such matters) will be counted solely for the purpose of determining whether a quorum is present.

The three Class II nominees for Directors receiving the highest number of votes cast by shareholders entitled to vote for such class of Directors shall be elected.

Paul Verdi and Maria Oliveri shall be appointed the lawful proxies, each with full power of substitution, for and on behalf of the shareholders, to vote as specified in any appropriately completed proxy card, the shares of the Company’s common stock held of record by the shareholder.

Shareholder Communications with Directors

The Company does not have formal procedures for shareholder communication with the Board. Any matter intended for the Board, or for any individual member or members of the Board, should be directed to the Corporate Secretary at Republic First Bancorp, Inc., 1608 Walnut Street, Philadelphia, PA 19103, with a request to forward the same to the intended recipient. In general, all shareholder communication delivered to the Corporate Secretary for forwarding to the Board or specified Board members will be forwarded in accordance with the shareholder’s instructions. However, the Corporate Secretary reserves the right to not forward to Board members any abusive, threatening or otherwise inappropriate materials.

The Company encourages all incumbent Directors and nominees for election as Director to attend the Annual Meeting. All Directors attended the Annual Meeting in April, 2005.

PROPOSAL 1

ELECTION OF DIRECTORS

The Company's Articles of Incorporation and By-Laws provide for the classification of Directors into three classes, as nearly equal in number as possible, with approximately one-third of the Directors to be elected annually for three-year terms. The Articles of Incorporation and By-Laws provide that the Board may consist of not less than five Directors and not more than 25 Directors.

The Board consists of nine Directors divided into three classes. Currently, the Class I Directors are Harry D. Madonna, William W. Batoff and Louis J. DeCesare; the Class II Directors are Robert J. REPORT OF THE COMPENSATION AND OPTION COMMITTEE

The Compensation and Option Committee (the “Committee”) is responsible for reviewing the Company’s compensation philosophy and programs and exercises oversight with respect to the payment of annual salary, bonuses, and stock-based incentives to Directors and officers, and also exercises authority with respect to the administration of the stock incentive plans of the Company.

Compensation Philosophy and Practice

The Committee believes that leadership and motivation of the Company’s employees is critical to the continued success of the Company. In support of this philosophy, the Committee structures its compensation programs to achieve the following objectives:

- offer compensation opportunities that attract and retain exceptionally talented individuals, motivate individuals to perform at their highest levels, and reward achievements that further the business strategy of the Company.
- link a significant portion of an executive’s total compensation to the annual and long term financial performance of the Company and the creation of stockholder value; and
 - encourage executives to manage from the perspective of persons with ownership interests in the Company.

The Committee utilizes a formal executive incentive program under which achievement of specific net income, profit, quality and growth of assets are set early in the year are considered when making compensation decisions. In reviewing the performance of executive officers whose compensation is detailed in this proxy statement other than Harry D. Madonna, the Company’s Chief Executive Officer, the Committee also takes into account the views of Mr. Madonna. The Committee determines the compensation of the Chief Executive Officer without his participation.

Executive Officer Compensation Program.

Base Salary. Base salary compensation is generally set within the ranges of salaries of executive officers with comparable qualifications, experience and responsibilities at other companies of similar size, complexity, revenues and growth potential taking into account the caliber and level of experience of management.

Annual Bonus Compensation. The Company’s executive officers are eligible for an annual cash bonus. Early in the year, the Compensation Committee establishes Company performance standards. During the past fiscal year, the corporate performance standards were based on growth in net income, commercial loans and increasing the quality of the Company’s assets.

Management Stock Ownership. Under the Company’s Amended and Restated Stock Option Plan and Restricted Stock Plan, stock options and shares of restricted stock may be granted to the executive officers and other key employees of the Company. The Committee believes that it is important for the Company’s executive officers to hold significant levels of stock ownership in order to align the interests and objectives for the executive officers with those of the Company’s other stockholders. Furthermore, the Committee believes that

awards under the Amended and Restated Stock Option Plan and Restricted Stock Plan provide incentives for improving the long-term performance of the Company and help retain superior talent in the Company's senior management. The Committee awards stock options and restricted shares, and determines the size of stock option and restricted share awards based on similar factors as are used to determine the base salaries and annual bonus amounts, including comparative compensation data.

Deferred Compensation Plan. Executive Officers participate in a deferred compensation plan wherein an amount equal to 20% of base salary is contributed to the plan by the Company, and utilized to buy stock of the Company. To promote retention of key officers, a three year vesting requirement is required for each contribution.

Chief Executive Officer Compensation

The base salary of the Company's Chairman and Chief Executive Officer, Harry D. Madonna is stipulated in the Madonna Agreement. The Madonna Agreement provides that Mr. Madonna is also eligible to receive an annual bonus of at least 25 percent of his then annual base salary in the sole discretion and determination of the Board upon achieving mutually agreed upon budget criteria. In determining Mr. Madonna's compensation, the Committee considered the demonstrated leadership he brings to the Company and the performance of the Company during the last fiscal year as measured against the Company performance standards established by the Committee and other factors deemed relevant by the Committee. Specifically, the Committee considered the Company's short-term loan program, the reduction in the amount of classified assets, the collection of problem loans, the retention of key personnel, the development of a quality senior management team, the growth in the dollar amount of commercial loans, the increasing shareholder value and the achievement of the net income target of the Bank. After comparing the Company's performance against the foregoing criteria, the Committee concluded that, Mr. Madonna will receive a bonus in the amount of \$150,000.

Certain Relationships and Related Party Transactions

Certain of the Directors of the Company and/or their affiliates have loans outstanding from the PA Bank which, as noted above, is a wholly-owned subsidiary of the Company. All such loans were made in the ordinary course of the PA Bank's business, were made on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with unrelated persons and, in the opinion of management, do not involve more than the normal risk of collectability or present other unfavorable features.

The following important intercompany agreements between the Company and the DE Bank have remained in force following the spin-off:

- Financial Accounting and Reporting Service Agreement dated July 31, 2004;
- Compliance Services Agreement dated July 31, 2004;
- Operation and Data Processing Services Agreement dated July 31, 2004; and
- Human Resources and Payroll Services Agreement dated July 31, 2004

The agreements set forth above provide for data processing, accounting, human resources and compliance services. All such services are provided by BSC Services Corporation, a subsidiary of the DE Bank. The PA Bank and the DE Bank reimburse BSC Services Corporation for actual costs incurred in connection with the provision of such services.

Another intercompany agreement which is currently in effect between the Bank and the DE Bank is:

- an agreement dealing with the PA Bank's participation in tax anticipation loans made by the DE Bank. Tax anticipation loans short-term, small amount loans repayable out of the tax refund paid to the borrower, primarily from the U.S. Treasury. The agreement provides for the purchase by the PA Bank of such loans made by the DE Bank, which due to its size, is more limited in the amount of such loans it can retain. The DE Bank retains a \$3 servicing fee for each tax anticipation loan sold to the PA Bank. In 2005, the PA Bank has paid the DE Bank approximately \$258,667 in such fees.

Registered Public Accounting Firm

On April 4, 2005, the Company dismissed its independent accountants, Grant Thornton LLP ("Grant") and appointed Beard Miller Company LLP ("Beard") as its new independent accountants, each effective immediately. The decisions to dismiss Grant and to engage Beard were approved by the Company's Audit Committee. The Audit Committee's decisions were based upon a response to a competitive bid requested by the Company. The reports on the Company's financial statements from Grant for the past two years have not contained an adverse opinion or disclaimer of opinion, nor were they qualified or modified as to any uncertainty, audit scope, or accounting principles. There have been no disagreements with Grant on any matter of accounting principles or practices, financial statement disclosures, or auditing scope or procedure during the two most recent fiscal years, or any subsequent interim period through the date of dismissal, which, if not resolved to the satisfaction of Grant, would have caused it to make reference to the subject matter of the disagreement in connection with its report. During such time period there were no "reportable events" as that term is described in Item 304(a)(1)(v) of Regulation S-K.

The Company provided Grant with a copy of the disclosures it is making in this proxy statement in response to Item 304(a) of Regulation S-K.

During the years ended December 31, 2004 and 2003 and the subsequent interim period through the date of this Form 8-K, neither the Company nor anyone on its behalf consulted Beard on any of the matters or reportable events listed in Item 304 (a) (2) (i) and (ii) of Regulation S-K.

The following table presents fees for the audit of the Company's annual financial statements and other professional services by Beard for 2005 and Grant for 2004.

	<u>2005</u>	<u>2004</u>
Audit Fees:	\$ 105,000	\$ 162,732
Audit-Related Fees:		--
Tax Fees:	9,500	32,481
All Other Fees:		8,081
Total Fees	\$ 114,500	\$ 203,294

Audit Fees consist of fees billed for professional services rendered for the audit of the Company's consolidated financial statements and review of the interim consolidated financial statements included in quarterly reports and services that are normally provided by Beard in connection with statutory and regulatory filings or engagements.

Audit-Related Fees consists of fees billed for assurance and related services that are reasonably related to the performance of the audit or review of the Company's consolidated financial statements and are not reported under "Audit Fees."

Tax Fees consists of fees billed for professional services for tax compliance, tax advice and tax planning. These services include assistance regarding federal and state tax compliance, tax audit defense, customs and duties, and mergers and acquisitions.

All Other Fees consist of fees billed for products and services provided by the principal accountant, other than those services described above.

Representatives of Beard are expected to be present at the Annual Meeting, they will have the opportunity to make a statement if they desire to do so, and they will be available to respond to appropriate questions.

Audit Committee Pre-Approval Procedures

The Audit Committee meets with our independent auditors to approve the annual scope of accounting services to be performed and the related fee estimates. The Audit Committee also meets with the Company's independent auditors, on a quarterly basis, following completion of their quarterly reviews and annual audit and prior to the Company's earnings announcements, to review the results of their auditors' work. During the course of the year, the chairman of the Audit Committee has the authority to pre-approve requests for services that were not approved in the annual pre-approval process. The chairman reports any interim pre-approvals at the following quarterly meeting. At each of the meetings, management and the Company's independent auditors update the Audit Committee with material changes to any service engagement and related fee estimates as compared to amounts previously approved. During fiscal 2005, all audit and non-audit services performed by Beard for the Company were pre-approved by the Audit Committee in accordance with the foregoing procedures.

The Chairman of any meeting of shareholders held to elect Directors and the Board of Directors may refuse to recognize the nomination of any person not made in compliance with such provisions.
