**Item 1.01. Entry Into a Material Definitive Agreement.**

On December 20, 2009, Terex Corporation ( Terex or the Company ) entered into an Asset and Stock Purchase Agreement (the Purchase Agreement ) with Bucyrus International, Inc. ( Bucyrus ) to sell the Company s mining equipment business (the Business ) for \$1.3 billion in cash subject to certain closing adjustments (the Disposition ). Pursuant to the Purchase Agreement, Terex has the right, but not the obligation, to request that \$300 million of the purchase price for the Business be paid in the form of shares of Bucyrus common stock. The number of shares issued will be determined based on the trading price of Bucyrus common stock prior to the date of the Purchase Agreement.

The products to be divested by Terex in the transaction include hydraulic mining excavators, electric drive mining trucks, track and rotary blasthole drills, and the highwall miner, as well as the related parts and aftermarket service businesses, including the company-owned distribution locations. The transaction, which is subject to customary regulatory approvals, is expected to close in the first quarter of 2010.

There are no material relationships among the Company and Bucyrus or any of their respective affiliates, other than with respect to the Purchase Agreement and the related ancillary agreements.

**Item 7.01. Regulation FD Disclosure.**

On December 20, 2009, the Company issued a press release regarding the Disposition, which is attached hereto as Exhibit 99.1.

On December 21, 2009, the Company hosted a conference call and posted a slide presentation relating to the Disposition on the Company s website at [www.terex.com](http://www.terex.com). To access the web replay of the call and the slide presentation, go to the Investor Relations section of the Company s website.

**Item 9.01. Financial Statements and Exhibits.**
